

Online Check-In

Azamara® is dedicated to providing your clients with technology that makes their cruise experience as seamless as possible. With this, effective May 21, 2020, the Advisor-Assisted Check-in option will no longer be supported via CruisingPower.com. In turn we are offering two options for them to complete their Guest Self Check-In via the Azamara App (available for both iOS and Android) or through Azamara.com.

Here's how you can help:

- A) Azamara App – PursuitSM only- Send the client a link to download the app and complete their check-in
- B) Azamara website – Send the client a link to complete the online check-in through Azamara.com

Mobile App available for PursuitSM

Here's what they can expect on the app:

1. Your clients will need to create a Guest Account or log into an existing account, if available
2. Provide contact information for each sailing guest
3. Don't forget to remind your clients to scan their passports, upload a self-photo, and complete all requested fields to generate each guest's Boarding Pass
4. Setup onboard expense account

Website access available for all ships

Here's what they can expect online:

1. Your clients will need to create a Guest Account or log into an existing account, if available
2. Provide contact information for each sailing guests
3. Provide travel documentation for each sailing guests
4. Upload a security photo
