

Why Azamara.

We believe in connecting people to people, people with cultures and people with themselves, by bringing you closer to new experiences that help form who you are and give you a fresh perspective of life.

We do this through our Destination Immersion® experiences, the philosophy behind every Azamara® voyage. Our ships are boutique hotels at sea that can accommodate approximately 700 guests. They are perfectly sized to cross oceans, sail into intimate rivers, cruise along scenic waterways, and dock at locations larger ships can't access. Our fleet consists of a family of sister ships – Azamara Quest®, Azamara Journey®, Azamara Pursuit®, and our newest addition, Azamara OnwardSM.

With Azamara®, you'll find so many ways to immerse yourself with plenty of time to absorb it all. Our carefully curated immersive itineraries feature longer stays, more overnights, and unique night touring, allowing you to experience more of the history, arts, cuisine, and local customs that make each destination memorable.

Sometimes, visiting a few ports within a country is not enough. That's why we have pioneered the concept of Country-IntensiveSM Voyages — itineraries that include the most iconic destinations as well as hidden gems, all within a single country.

Our itineraries do not stop at the shoreline. You can enjoy the opportunity to take your exploration to new heights with a variety of immersive land explorations and locally-inspired shore excursions that deliver personalized and authentic experiences. Each opportunity provides a unique look into the culture and heritage of your destination.

To further immerse you in local experiences, our voyages include a complimentary Destination CelebrationSM, the adaptation of our bespoke AzAmazing Evenings® for our current sailings. Get an authentic glimpse of the sights, sounds, and moves of your destination without having to step away from the comfort of our intimate ships.

Our global guests come to us for the destinations we visit and the cultural connections we make, but they return to Azamara® for the unforgettable hospitality. From the international crew members who smile with genuine warmth to our expert-trained staff delivering advanced screening protocols, enhanced sanitization measures, and medical services, you'll always feel taken care of.

Whether you're ashore or onboard, our commitment to community consciousness and personal wellness will deliver the peace-of-mind and safety you need when it comes to traveling. Plus, with our host of inclusive amenities such as beverages, paid gratuities, concierge services, self-service laundry and more, everything you could ever want is within reach.

Azamara® welcomes you to uncover all seven continents and discover a world within the world.
