**Additional Terms & Conditions:** THE DEPOSIT REQUIRED FOR YOUR CRUISENOW BOOKING IS NONREFUNDABLE IF YOU CHOOSE THE INSTANT ONBOARD CREDIT OPTION. For guests who choose the Instant Onboard Credit option, downgrades to your CruiseNow booking will result in an additional charge of between \$50 to \$500 on your booking. Downgrades may include booking a shorter duration cruise, a different destination or booking a lower class of staterooms. For guests who choose the Future Onboard Credit offer and later Downgrade their CruiseNow booking, the amount of that future onboard credit shall be reduced. For all guests, if you change your CruiseNow reservations, your booking may no longer be eligible for the special pricing/promotional offer provided to you while onboard. If you change your CruiseNow reservation in order to combine it with a different offer at a later date, your CruiseNow reservation will adjust to prevailing rates as of the date of your requested change and the new offer would then be applied. At the discretion of the Cruise Line, guests upgrading their CruiseNow Booking after the final payment due date may be eligible for certain promotional offers then available in their local market. A CruiseNow booking may be combined with certain groups but would then require a full deposit and possible loss of your promotional Offers and/or Onboard Credit offer. Your reservation would then be booked at prevailing rates as of the date of your requested change. Onboard credits have no cash value, not redeemable for cash and will expire if not used by 10:00 PM on the final night of the cruise. As we value our relationships with our travel partners, unless we are advised otherwise your CruiseNow booking will be attributed to the travel partner associated with your current cruise booking. However, if you wish to have your booking reflect an alternative arrangement, please inform the team at the time of booking and a form will be provided for you to sign as your authorization. Only one OBC shall be awarded for each qualifying CruiseNow booking. A maximum of three (3) CruiseNow bookings can be made per person onboard per cruise. Once the Instant Onboard Credit option has been elected, guest may not change to the Future Onboard Credit option. Original name on the CruiseNow booking cannot be changed. Another name on the same CruiseNow booking can be changed but only once. CruiseNow program excludes certain promotions and discounted rates, including Interline, Travel Agent and Travel Agent Friends rates, weekly sales events, net rates or shareholder benefits and employee rates. International deposits and requirements may vary. Visit your Future Cruise Vacations Team onboard for deposit policies and full Terms and Conditions applicable to all CruiseNow Bookings or visit the Celebrity Cruises website in your country of residence.
