#### TRANSFORMATIONAL ACCOMMODATIONS

In our all-new Edge Staterooms with Infinite Verandas<sup>SM</sup>, your entire living space becomes the veranda (and vice versa), letting you walk right out to the water's edge. These staterooms are more than 20% larger than our award-winning Solstice Class<sup>®</sup> veranda staterooms, making room for a king-sized bed from our new Cashmere Bedding Collection<sup>SM</sup>. Plus, convenient touchscreens let you control everything from lighting to service with the tap of a finger.

With an incredible ship designed to highlight the destinations like never before, we decided to start in a corner of the world so often referred to as "paradise." Celebrity Edge will sail two sun-drenched itineraries to the eastern and western Caribbean, beginning in December 2018.

Celebrity Edge offers more than double the number of suites and two entirely new suite categories. The two Iconic Suites are the largest and most luxurious suites in our fleet, positioned above the bridge for panoramic views. And six airy Edge Villas, our first two-story suites, dazzle with soaring windows, private terraces, and plunge pools. They also give you direct access to the sundeck and pool at The Retreat, a new area for all Suite Class guests that also features a private restaurant and exclusive lounge with concierge service.

## VISIONARY OUTDOOR SPACES

All of Celebrity Edge's outdoor spaces have been transformed into serene outward-facing sanctuaries. Soar up to 13 stories above the sea on the Magic Carpet, a cantilevered, floating platform that transforms into new venues at each deck. Scope out the asymmetrical pool area from one of its striking, two-story martini hot tubs. And surrender to the unexpected pleasures of the Rooftop Garden, a one-of-its-kind urban playscape.
