New Categories for Accessible Staterooms

Celebrity Cruises® is re-categorizing accessible staterooms to provide consistency across the fleet and better visibility for our accessible inventory. The new accessible stateroom categories go into effect for each ship's first sailing for the 2012-2013 deployment.

How it works

Accessible staterooms will be re-categorized into their own unique categories:

- **AW** Accessible Suite
- **AX** Accessible Veranda
- **AY** Accessible Ocean View
- **AZ** Accessible Inside

Some specialty accessible staterooms will get their own categories:

- **AA** Accessible AquaClass®
- **AC** Accessible Concierge Class
