We implemented children's pricing in all of our specialty restaurants.

Kids ages 6-12 will dine for lunch & dinner at our specialty restaurants at a discounted rate of \$10 from the standard dinner menu.

- Ages 5 and under will dine for free.
- Children will be able to dine from the standard dinner menu in each restaurant. In Tuscan Grille, there's also a separate "Italian Favorites" menu that children can choose from if they'd prefer for the same price.
- Children's pricing not available for premium experiences including Chef's Table, Connoisseur dinners, Food and Wine pairing dinners, Top Chef Dinner, etc.
- For pre-cruise purchases guests need to book at full price and once onboard we will apply an onboard credit accordingly (5 years and under full cover charge credit; 6 years to 12 years at discounted rate).
