

ANNOUNCING OUR 2019 SEASON OF NEW EXPERIENCES IN THE OLD WORLD.

5 stunning ships. 27 breathtaking countries. 92 ports of call.

In 2019, we're introducing three new ports of call we've never visited before. The first is a city in Greece—Nauplion. Just two hours outside of Athens, this historic seaport town offers a quaint, island-like feel while still being on the mainland. Situated on the northern end of the Argolic Gulf, most of the old town is on a peninsula that juts into the gulf. The town offers beaching, shopping, dining, and so much more, and you'll feel the warmth of the people who live there everywhere you go.
