Area	EG	Note
Live at the Club	•	Celebrity Edge breaks the mold of the traditional cruise ship talk show by introducing Live at the Club, a fully produced late night talk show with scripted segments, musical features and an authentic studio-audience vibe. Produced and written by Kukautusha T. Croom, who is a veteran of film and television, Live at the Club is the first fully produced talkshow that travels the open seas.
Soundbooth Revolution	•	Celebrity EDGE guests will have the opportunity to hone their mixing skills from one of our Resident DJs throughout the cruise, and if they make the cut, be featured for a night in The Club. These hands on, personalized workshops will take place in small groups, allowing guests to work directly with professional, world-class DJ talent.
Dueling DJ Silent Disco	•	An evolution of one of Celebrity Cruise's most popular programming activations, Dueling DJs Silent Disco is the ultimate night of extrasensory musical mixes. As our two Resident DJs take the stage, guests become the master of their own mix, as they determine which channel reigns supreme.
Gamenight Remix	•	Out with the traditional game night, and in with the modern board games, card games, live music from the DJ and drinks. Gamenight Remix is an action-packed evening full of family challenges, games and music, providing guests the chance to wind down together with their favorite games from across the decades.
Andromeda	•	An energetic night time experience with our DJ and pop-up performances
Hypno	•	A social club revolution, The Hypno Cam Experience takes guests on a hypnotic journey through the night with its Experiential Camera Platform. Celebrity Edge becomes the first cruise ship to have a fully produced club experience featuring The Eye, which allows guests to capture custom selfie content and share in real time in visually dynamic ways.
Eden	•	"Eden is an invitation to indulge in the present moment whilst being taken on a cyclical journey through a story that transcends time to a brand new day. • As the sun sets on Eden, a shared experience begins melding culinary and performance art to create an organic sensory journey....Chillful....Playful....Sinful. No two journeys through EDEN will be alike"
The Undercover	•	A tantalizing exhibition of opulence & hedonism, loosely reminiscent of the 1920's.
A Hot Summer Night's Dream	•	In A Hot Summer Night's Dream, you'll be thoroughly immersed in a light-hearted journey that fuses music with extraordinary acrobatics and yes—a little bit of Shakespeare. It's a tale of love, intoxication, and midnight madness.
Land of Khalida	•	"For a century, the great kingdom of Khalida has been enshrouded in darkness; besieged by a dark curse that has imprisoned the royal court, and its magical powers, within the confines of the ancient Jewelry Box."
Kaleidoscope	•	"Dance through a colorful lens" A high energy pop art concert – a mash up of color and music
Headliner Marcus Terell	•	The incredible vocal talent of headline entertainer, Marcus Terell combined with a carefully curated set list, fearless musicianship, and dynamic dancers creates an authentic and uplifting musical experience that will energize and inspire.
