Celebrity Launches Fifth Phase of Five-Star Academy for Travel Agents

Thousands of travel agents will soon be seeing stars – five stars, that is. Celebrity Cruises' Five-Star Academy's fifth of five phases launched late last week, and the nearly 10,000 agents who are currently enrolled in the training program have the opportunity to earn five stars by completing it.

The multi-tiered program offers five stages of training, the first of which was launched in September of last year. Each stage is named with the number of stars earned by successfully completing it. Each level focuses on a specific area of knowledge about Celebrity Cruises' offerings, from destinations to onboard entertainment and more.

As travel agent partners have successfully completed each level – by scoring over 80% on the tests at the end of each tier – they have had the opportunity to print a certificate noting their designation as a Celebrity One-Star, Two-Star, Three-Star, or Four-Star Agent. Those travel agents who go on to complete the fifth level will be designated a "Celebrity Five-Star Agent." Agents who successfully complete all five levels within the program will receive a "Celebrity Five-Star Academy Agent" pin, a certificate recognizing their accomplishment, a booklet of coupons for onboard discounts and some tools that will help them grow their business. Some of these tools include a "Celebrity Five-Star Academy Agent" logo to place on their business card and the opportunity to earn as many as 15 Cruise Lines International Association (CLIA) credits per year. Additionally, all agents who successfully "graduate" from the Celebrity Five-Star Academy will be entered into a monthly drawing for a cruise, co-op funds, and training.

Travel agents who have participated in the program have been impressed by its ability to present a great deal of information in a simple format that makes information retention easy. Lynne Current, with Cruise Vacations and Tours, said, "I was impressed by the easy-to-understand format. The courses are a useful tool for both novice and seasoned agents. Even with many years in the business, the Academy has helped refresh and increase my basic knowledge of the Celebrity product, and has made me more adept at using Cruisingpower.com. In the end, the Academy makes the client the real winner."

Several travel agencies have asked all of their travel agents to participate in the Celebrity Five-Star Academy. Travel agencies with any agent who successfully completes all five levels will be designated a "Celebrity Five-Star Academy Agency."

Says Gail Bradley, who operates an independent affiliate of America's Vacation Center, "Participating in Celebrity's Five-Star Academy has enabled my independent agency to be even more qualified to assist customers when booking Celebrity Cruises vacations. This program assisted in solidifying additional bookings for my business and ensuring an increase in repeat and referral customers."

Travel agents can enroll at any time, and complete the five levels at their own pace. Celebrity plans to continuously refresh the program with new content, including elective courses. These electives would offer additional training opportunities beyond the required five levels and their corresponding tests.

To sign up and participate, travel agents should visit www.cruisingpower.com or speak to their Celebrity Cruises sales representative.

Celebrity Cruises® is starring kids.

Adults aren't the only ones who feel like stars onboard a Celebrity cruise. We've created a complimentary and carefully supervised program just for kids that turns each voyage into a time to make new friends, cultivate curiosity, be entertained, and above all, to be kids.

It Starts with Our Staff

We've recruited a select team of energetic, highly educated, and culturally diverse counselors who really enjoy working with children to supervise our kids' programs. Their enthusiasm makes all the difference.

Always Age-Appropriate

We offer something for kids of every age.†

- **Ship MatesSM**, ages 3-6. Games, scavenger hunts, and kid-oriented ship tours.
- **Celebrity CadetsSM**, ages 7-9. Theme parties, Dinosaurs, Science & Space, and outdoor games.
- **EnsignsSM**, ages 10-12. Pool Olympics and team-building games, costume "balls," and late-night pizza parties serving delicious favorites in an informal atmosphere.
- **Admiral T'sSM**, ages 13-15 & 16-17. Teens are divided into two groups and get free run of the XClub, with video games and late-night dances.

†Children must be 3 years old, toilet trained, and pull-up- and diaper-free to enter youth program facilities or participate in youth program activities unless accompanied by a parent. However, families are welcome to borrow toys for their children's entertainment.

- **Toddler Time** lets young travelers and their parents play with the Fun Factory toys, including LeapFrog® Edutainment. Parents must accompany toddlers in the Fun Factory for any organized activity.

XClub

The place designed with teens in mind includes an arcade, a coffee club, and a dance bar, so your older kids have their own space to hang out, with plenty of adult supervision.

LeapFrog® Edutainment

We've teamed up with Leapfrog Schoolhouse™ and its award-winning writers to create an enrichment program that combines nautical information with the history, culture, geography, and wildlife found on our exotic itineraries as well as games like Pre-Hysterical Dino-Time, Leap the Globe, Get Crafty, What's your sport, Sport?, Science & Space Xperiments, and Amazing Animals Go Wild.

The LeapFrog SchoolHouse logo is a trademark of LeapFrog Enterprises, Inc.

Save on Sitters

With an XClub Party Pass, you can save up to 40% on babysitting fees for individuals or groups of kids, who are one year and older.

All-Access Pass

The XClub Party Pass gives kids free access to behind-the-scenes ship tours, movies on the big screen, and admission to afternoon, dinner, and slumber parties, plus exclusive VIP souvenirs.

We've Got Game

The Fun Factory and XClub are equipped with all the hottest new gaming technology and games. Kids can chase pirates, battle aliens, or take an active role in sports like bowling, golf, tennis, and baseball. We even rent portable gaming devices for personal use.*

Kids Take Charge

A special Sea Pass Card, gives kids charging privileges throughout the ship, which parents can easily deactivate if they'd like.

Fun Factory

Your junior cruisers will enjoy an all-inclusive environment with hands-on activities, stories, and toys, plus an award-winning archi-"tech"-ually cool place for older kids — with everything from an MP3 jukebox and wireless Internet* to cool light and video shows to pop art studios.

*An additional charge will apply.

Celebrity Cruises has taken a creative leap toward enhancing its onboard activities for kids of all ages by working with LeapFrog SchoolHouse™ to provide engaging, multisensory learning tools and instruction that align to Celebrity's travel itineraries around the world. Kids of all ages will enjoy the LeapFrog SchoolHouse products now available across the Celebrity fleet, including popular personal learning tools (PLTs) such as LeapPad® PLT, Quantum LeapPad PLT, the Leapster handheld, the new L-Max Leapster handheld and the Odyssey Globe. Celebrity also provides a full line of LeapFrog toddler products within its X-Club youth facility.

Our year-round program is offered for five age groups:

- Toddler Time (under 3 years old)
- Ship MatesSM (ages 3-6)
- Celebrity Cadets (ages 7-9)
- EnsignsSM (ages 10-12)
- Admiral TsSM (ages 13-17)

Each morning a daily program lists the day's activities, games, parties and more. Special areas are set aside for "kids only," such as the Fun Factory, teen centers and pools.

Fun Factory

This is where the magic happens and the fun starts. A place exclusively for our junior cruisers. Open from 9:00 am until 10:00pm each and every night, entertaining every child and teen onboard the vessel with crafts, games, toys, arcade games, music, karaoke, a ball pit, Nintendo Wii and much more.

Teen Centers

Our teen centers are archi-"Tech"-tually enhanced facilities which offer teens a space they can call their own. Teens can enjoy an MP3 jukebox, wireless internet, big screen monitors, and Nintendo Wii. Teen Centers will be implemented fleetwide by the end of 2008 and currently available on Celebrity InfinitySM.

Toddler Time

The X-Club Program offers "Toddler Time", in which parents and their toddlers can interact in their own private location. This activity is supervised by a staff member and will provide age appropriate toys and games. Celebrity's X-Club Youth Program will allow children under three or those not yet potty trained to utilize the facilities if accompanied by an adult.

Staff

Youth activities are directed and organized by a special staff of youth counselors. Staff members are highly qualified and specially trained in the fields of child psychology, child development, education or recreation. Our professional and friendly youth team facilitate for each child meeting new friends, engaging in new experiences and making life long memories.

— Inspired Design

To create an experience that engages all the senses, we started with a collaborative vision. Celebrity's Solstice Class has been created by the world's foremost designers, stylists, and architects, who crafted their individual ideas into a unified vision.

Francis Design, which has created some of the world's most spectacular luxury yachts, fashioned the ship's distinctive silhouette.

Thruway Design helped ensure that the decor in our world-class restaurants rose to the level of the cuisine.

Design added a unique flair to the Casino, Galleria Tastings, the Art Gallery, and night-time venues.

EG Studio International Inc. created restaurants and other venues of simple sophistication.

RTKL transformed our spa, fitness center, and staterooms into islands of luxurious indulgence.

Including the Lawn Club and the serene Solarium.

— The Lawn Club

Soft grass underfoot allows each step to carry you away.

The new Lawn Club exemplifies the innovation that distinguishes Celebrity's Solstice Class. On the uppermost deck, you'll find a carefully manicured expanse of real grass that combines an air of sophistication with the sensual pleasures of a barefoot walk. By day, try your hand at lawn games while you bask in the sunshine. When evening arrives, retire to the Sunset Bar, watching the sun leisurely sink seaward and the stars slowly emerge to take its place.

The Patio on the Lawn and Sunset Bar offer 360° views of the ocean as well as luxurious coffee drinks and refreshing cocktails.

The Hot Glass Show™, a unique collaboration with the Corning Museum of Glass, provides a front-row seat to the artist's process.

A three-hole putting course adds to the country-club atmosphere.

The Lawn Club Shop offers commemorative souvenirs that you'll treasure long after your voyage has ended.

Wilson Butler Architects brought life to many of the more captivating public spaces, including the Lawn Club and the serene Solarium.

— AquaClass™

Discover a haven of indulgence in a sea of contentment.

For those who love the spa life, we've created AquaClass, a limited number of contemporary double-occupancy accommodations, each with a private veranda.

Your Personal Spa Concierge stands ready to arrange Aquaspa® treatments for you.

Local convenience is the Aquaspa by Elemis® and offering complimentary access to the soothing pleasures of the Persian Garden and Aquaspa Relaxation Room.

Explore a wealth of in-room pleasures like Hansgrohe® shower panels, aroma scent selections, a pillow menu, and complimentary bathroom amenities.

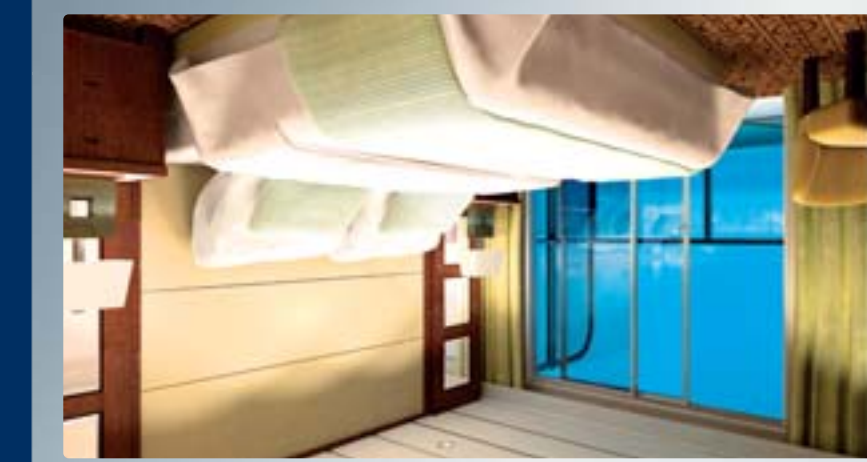

Let us pamper you with daily deliveries of bottled water and iced tea.

Celebrity Solstice's AquaClassSM

– Pairing the spa life with the high life.

Celebrity Cruises® is taking stateroom accommodations to a new level of sophistication with the introduction of Celebrity Solstice, set to launch in November of 2008.

Celebrity Cruises:

- Engaged a panel of five boomer women, identified by the line as "Celebrity's Leading Ladies,"
 - A frequent cruiser
 - A travel agent, a travel writer
 - A hotelier
 - A cruise considerer
- The women participated in a four-month process to make the staterooms onboard Celebrity Solstice among the most spacious and inviting at sea.
- Key insights provided by Celebrity's Leading Ladies:
 - The desire for a more relaxed, intimate shipboard stateroom experience connected to the sea and linked to highly personalized spa elements. This led to designers coming up with an oceanside retreat called AquaClass, created for guests who are most passionate about pampering and "getting away from it all."

Features of the AquaClass staterooms:

- fog-free bathroom mirror
- tall jetted bodywash shower
- robust pillow menu
- Light dimmers
- sound and aromatic elements to enhance the soothing power of the sea
- lavish AquaClass toiletries
- oversized bath towels
- plush robes
- unique in-stateroom entertainment
- an upgraded room service menu
- refreshing daily teas and bottled water

AquaClass will comprise 130 of the ship's 1,425 staterooms:

- double-occupancy only, creating the perfect grown-up getaway
- unlimited access to the AquaSpa® relaxation room and the Persian Garden
- Spa Concierge to assist in treatment bookings, products, library and other spa related services

AquaClass guests will have their own specialty restaurant, Blu, an intimate, 130-seat specialty restaurant which touts "clean cuisine" in a soothing ambiance.

Maximum Group Limits

- A Travel Partner may establish up to one (1) Affinity and one (1) Promotional group per sailing.
- An Affinity group is defined as a group that is traveling together with a common interest or affiliation. A Promotional group is defined as a group block that is promoted to a consumer market for a specific ship and sail date as a selling strategy.
- In addition, a Travel Partner may establish four groups during any rolling consecutive four (4) quarters, or twice the number of sailed groups in the past four (4) quarters (excluding current); whichever is greater.
- Affinity groups may block up to fifty (50) staterooms on most sailings. Promotional groups may block up to twenty-four (24) staterooms for Celebrity Cruises sailings.
- Requests for groups exceeding the maximums above at time of booking, or to add inventory over the limits set above must be submitted through the Travel Partner's Group Advocate for approval.
 - ♦ Response to requests for groups exceeding maximum will be communicated to the Travel Partner within one (1) business day (excluding weekends and company holidays).
- For groups over 100 staterooms, other terms and conditions may apply. For more information on groups over 100 staterooms, please contact our Sales Team at (800) 722-5934.

Option Lengths

Affinity Group Policy

- The Travel Partner will have thirty (30) days from the offer date to deposit \$50.00USD per stateroom for non-allocated group inventory. The original fares quoted for the inventory will remain in effect for that thirty (30) day period. All inventory for which this initial deposit is secured will be held an additional 150 days or to the Hard Stop Date, whichever comes first. Celebrity Cruises reserves the right to recall unsold inventory at any time.
- The Hard Stop Date is defined as the date upon which all inventory on the Group will be reduced to sold. Unsold inventory shall be returned back to the cruise line's inventory. Inventory will be reduced to sold at 180 days to sailing for itineraries 10 nights and longer, 120 days to sailing for 6-9 night itineraries or 90 days to sailing for itineraries less than 6 nights.
- At the end of 180 days from creation, twenty percent (20%) of the original inventory must be sold in order to keep all unsold inventory at the original rate. "Sold" is considered inventory that is fully deposited and with full legal names. If twenty percent (20%) of the original inventory has not been sold, the Group will be reduced by

fifty percent (50%) of the unsold inventory. The unsold space may be extended at its original rate for an additional 180 days (360 days from creation), or to the Hard Stop Date whichever comes first.

- At the end of the 360 day period the group will be reduced by fifty percent (50%) of the unsold space. The remaining space may be kept at original rates until 240 days from sailing or the Hard Stop Date whichever comes first. If at 360 days from creation, no inventory has been sold, the group will be cancelled.
- At 240 days from sailing the group will be reduced by fifty percent (50%) of unsold space and the remaining unsold space may be retained at the original rates until the Hard Stop Date.
- All option periods will terminate at the end of the thirty (30) days from creation, 180 days from creation, 360 days from creation, 240 days from sailing or 180 days, 120 days or 90 days from sailing (dependent upon length of itinerary and product), whichever comes first.
- New Group requests can be made inside 180 days, 120 days or 90 days from sailing provided group inventory is available. Full legal names and deposit will follow Individual Reservations option cycles.

Promotional Group Policy

- The Travel Partner will have 180 days from the offer date or up to 180 days, 120 days or 90 days from sailing (dependent upon length of itinerary and product), whichever comes first, to sell the blocked inventory in the Group. The original fares quoted for the inventory will remain in effect for that period.
- At the end of the 180 days from offer or 180 days, 120 days or 90 days from sailing (dependent on length of itinerary and product), full legal names and deposit are due. All unsold inventory will be reduced to sold and returned back to the cruise line's inventory.
- New group requests can be made inside 180 days, 120 days or 90 days from sailing (dependent on length of itinerary and product) provided group inventory is available. Full legal names and deposit will follow Individual Reservations option cycles.

Minimum Size Requirements and Limits

- Group terms are based on a minimum size of eight (8) staterooms of sixteen (16) guests (the "Minimum").
- Any group that falls below eight (8) staterooms at double occupancy after the deposit cycle no longer retains group status.
- Group bookings below Minimum are subject to transfer into Individual Reservations.
- Only those amenities selected for use by guests onboard will be protected. Guest amenities include but are not limited to stateroom deliveries.

Individual Reservations to Groups Transfers

Once transferred into the group, the booking will require full legal names/full deposits within the current Individual Reservations option cycle. Transfers must be allocated space. - Celebrity Cruises reserves the right to contact you at any time to review group inventory held on sail dates that are at risk of being oversold (Code Red Sailings). During this review, all unsold inventory (inventory without full legal names and full deposits) will be recalled.

Guest Names

- Legal guest names are required as deposits are made or no later than the applicable option date.

- After the initial 180 day option cycle, name changes may be made to all but one of the names listed on the booking, and may be subject to additional charges.
 - ◆ Name changes may not be allowed on certain sailings or within twenty-four (24) hours prior to sailing.
 - ◆ Name changes will be allowed outside twenty-four (24) hours prior to sailing, but may be subject to additional charges given the following conditions: guests' air has been assigned, documents have been issued, or the request is less than thirty-five (35) days prior to sailing.

Additional Information

Tour Conductor Credits

- Cruise-only tour conductor credits are earned on the following criteria and must be applied to a single berth or issued to the Travel Partner in the form of marketing funds:
 - ◆ For all itineraries, one cruise-only tour conductor credit is earned for every sixteen (16) full-tariff guests, based on double occupancy.
 - ◆ The value of the cruise-only tour conductor credit is determined by the category most sold within the Group. If the same number of staterooms has been sold in two (2) or more categories, the value is based on the lowest of those categories. If multiple pricepoints exist for the category in which the tour conductor credit is earned, the lowest pricepoint will be used for payment purposes.
 - ◆ Singles paying 200% of the full fare count as two (2) guests for tour conductor purposes.

Lost Stateroom Protection

- Fares and inventory will be protected when the fare or inventory is lost due to an error on the part of Celebrity Cruises. Misquoted fares and fares erroneously loaded into our systems are not protected.
- Fares will also be protected if Celebrity Cruises is contacted within

forty-eight (48) hours of the cancellation and the same inventory is available and full legal names and appropriate payments are provided.

Fare Conversion

- A fare may be converted if the guest meets all eligibility requirements of the new fare program. The fare program and all inventories must be available at the time of the conversion. The conversions are permitted up to the closing of the sailing. Commissions will be earned based on the new converted fare.

Cruise Documents

- Cruise documents can be expected approximately twenty-eight (28) days prior to sail date. Celebrity Cruises reserves the right to hold documents until final payment has been received.
- Guests traveling together in the same stateroom will receive one document booklet for the stateroom unless requested prior to printing of the documents.
- Travel documents can be reissued if the Guest or Travel Partner request for a nominal fee of \$35.00USD.
- Requests for paper documents rather than E-docs (electronic documents) must be processed prior to thirty (30) days from sailing to avoid additional charges.

Air Program

- Celebrity Cruises will provide air arrangements with inclusive travel packages at competitive fares. While Celebrity Cruises will make all efforts to accommodate all air requests, group guests originating from the same air city may not necessarily be accommodated on the same flights. All guests using the air program will receive transportation and baggage transfers between the airport and pier.

Dining

- Dining requests will be accepted at the time of the initial booking. Celebrity Cruises will attempt to honor the request. However, dining assignments will be made on the basis of availability at the time of the Group finalization.

Value Add

- Value Add is permitted up to \$100.00USD per guest, and must be distributed to all guests equally.
- Value Add requires completion of a Value Add Request Form for each sailing.
- Value Add Request Forms are available on www.cruisingpower.com
- Value Add must be requested and approved within the first 180 day option cycle (or by the sailing's Hard Stop Date whichever comes first).
- Refunds for cancellation involving Value Add must be made to the guest, not the agency.

Student Groups

- Celebrity Cruises does not accept student groups. A student group is defined as a group of which fifty percent (50%) or more of the guests are under the age of twenty-one (21). Please contact your Group Advocate for further details and requirements.

Group Marketing and Promotions

- All marketing materials used to promote your group must be pre-approved by your Celebrity Cruises Sales Representative. All materials must contain a statement identifying the ship's registry. Restrictions on the advertising or promotion of group fares apply.
- The new Celebrity Cruises Group Sales Kit will be available on line at www.cruisingpower.com

Group Amenities Plus (GAP)

- Celebrity Cruises will establish the Groups Amenities Plus program to allow you to customize your group. Selections for the use of GAP points may only be requested for Groups above the minimum group size (eight (8) staterooms) and must be made before final payment is due.

Fares

- Fares are quoted are per guest, based on double occupancy. All fares quoted to guests must include Non Commissionable Cruise Fares (NCCF).
- Singles paying 200% of the full fare count as two (2) guests for tour conductor purposes.
- Changes: All fares, government fees, schedules, port calls, hours of arrival and departure and special programs are subject to changes without notice. Celebrity Cruises reserves the right to assess fares and charges in effect at the time of booking and amend or add to the content of this brochure at any time.

Celebrity Cruisetours

The unique nature of Cruisetour groups requires, in some cases, the use of different guidelines from those that apply to general groups. The following paragraphs describe those different guidelines. Except for the differences described below, the above referenced General Group Guidelines apply to Cruisetour groups as well.

Tour Limits

- If every member of a group is purchasing the Cruisetour, a single Cruisetour group booking will be created.
- If some members of a group are purchasing the Cruisetour and others are not, two separate group bookings will be created: (a) one (1) for Cruise only; and (b) one (1) for Cruisetours.
- The Travel Partner may have one cruise only and one Cruisetour group per sailing.
- A Travel Partner can establish the following number of Cruisetour groups: (a) four (4) Cruisetour groups; or (b) twice the number of sailed Cruisetour groups that the Travel Partner has in the prior four (4) quarters, whichever is greater.

Maximum Group Limits

- A Celebrity Cruisetour group can have up to twenty (20) staterooms (forty (40) guests) without any special approval.

Option Lengths

- The option periods will terminate at the end of the 180 days from creation or at 180 days from sailing, whichever comes first.
- This option period is subject to an inventory review at ninety (90) days from creation when necessary.

Full Deposit

- All itineraries for Celebrity Cruisetours require a full deposit of \$900.00USD per stateroom.

Cancellation Charges

- To avoid cancellation charge a notice of cancellation must be received prior to the departure date for the Cruisetour as follows:

Days prior to departure	Charges (per person)
69-30 Days	Deposit Amount
29-15 Days	50% of Total Fare
14 Days or less	No Refund

- The departure date for a Cruisetour is the embarkation date for the Cruise or the first day of the tour portion of the Cruisetour, whichever is earlier.
- Any Changes to the tour segment of the Cruisetour or cancellation of the tour with retention of the cruise may be subject to the following cancellation charges:

Days prior to departure	Charges (per person)
69-41 Days	Deposit Amount
40-15 Days	50% of Total Fare
14 Days or less	No Refund

Celebrity XpeditionsSM Groups Your Way Guidelines

As of September 3, 2008

All policies contained herein apply to all travel partners. Guests can book passage on Celebrity Xpeditions on a cruise only basis or add a package, which includes the cruise as well as certain air transportation, hotel accommodations and transfers (the "Xpeditions package"). The unique nature of Celebrity Xpeditions and the Xpedition package require, in some cases, the use of different guidelines from those that apply to general groups. This information describes those guidelines applicable to Celebrity Xpeditions.

Tour Limits

- If every member of a group is purchasing the Xpedition package, a single Xpedition group booking will be created.
- If some members of a group are purchasing the Xpedition package and others are not, two separate group bookings will be created: (a) one for just a cruise group; and (b) one for Xpeditions package.
- The travel partner may have one cruise only group and one Xpedition package group per sailing.
- In addition, a travel partner can establish the following number of cruise only groups: (a) four cruise only groups during a calendar year; or (b) twice the number of sailed cruise only groups that the travel partner has in the prior 4 quarters, whichever is greater.
- A travel partner can establish the following number of Xpedition package groups: (a) four Xpedition package groups during a calendar year; or (b) twice the number of sailed Xpedition package groups that the travel partner has in the prior 4 quarters, whichever is greater.

Minimum/Maximum Group Limits

- An Xpedition package group or Celebrity Xpedition group will have a minimum size of 4 staterooms.
- Any group that falls below 4 staterooms at double occupancy after the deposit cycle, no longer retains group status.
- The combination of the Xpedition package groups and Celebrity Xpedition cruise only groups a travel partner has on a single sailing cannot exceed 6 staterooms without any special approval.

Payments

Full Deposit

- A Celebrity Xpedition cruise only group requires all staterooms to be allocated and requires a full deposit of \$900USD per stateroom.
- An Xpedition package group requires all staterooms to be allocated and requires a full deposit of \$900USD per stateroom.
- Full deposit is required at 30 days after initial booking of a group. Full names required at 90 days from booking or 180 days to sailing, whichever comes first.
- All triples and quads require minimum of three (3) names to secure stateroom

- Penthouse suites require full deposit and names at the time of request to be allocated within group inventory.

Final Payment

- 120 days prior to sailing.
- Final payment not received by the due date, may result in group cancellation.
- New allocations or additions to existing groups made after the scheduled final payment due date must be paid in full by the prevailing Individual Reservations option date.

Credit Cards

- As guest names are applied, credit cards should be cross-referenced to that guest.

Cancellation Charges

- To avoid a cancellation charge, a notice of cancellation must be received prior to the departure date for the Celebrity Xpedition sailing (for cruise only groups) and prior to the departure date for the Xpedition package as follows:

Days prior to departure	Charges (per person)
119-30 Days	Deposit Amount
29-15 Days	50% of Total Fare
14 Days or less	No Refund

Guests of Celebrity Cruises® are strongly recommended to purchase the CruiseCare and Guest Protection Plan. For further information, please call BerkelyCare, Ltd., at (800) 797-4516

Inventory Management

- Within the 30 day option cycle, travel partner may add up to the 6 stateroom maximum, maintaining original cycle and original fares, if group inventory (at category level) is available, and is within original category allotment.
- Deluxe space can be added to a group by request, based on availability.
- If additional inventory requested is outside original category allotment, prevailing fares will apply.
- No inventory can be added if sailing is Code Red.
- Once a group has been reduced to sold (30 day cycle is completed), travel partner can add up to a 6 stateroom maximum at prevailing fares, which will carry the current Individual Reservations option, or 180 days to sailing whichever comes first.
- FIT to Groups Transfer:
 - Transfers from FIT into an existing group may not be made.

Inventory Reviews

- Celebrity Xpeditions may contact you any time after the initial 90 day option cycle to review unsold group inventory. During this review, unsold inventory (inventory without names and full deposits) may be recalled.
- Celebrity Xpeditions reserves the right to contact you at any time to review group inventory held on sail dates that are at risk of being oversold (Code Red sailings). During the review, all unsold inventory (stateroom inventory without names and full deposits) will be recalled.
- Other than Code Red sailings, a reviewed group will have 7 business days to add names and payments prior to being reduced to sold.

Guest Names

- Guest names are required within the 90 day cycle.
- Within the 90 day option cycle, double name changes are allowed on any booking within the group. Payments will be refunded if the form of payment is cross-referenced to a guest no longer on the booking, and a new form of payment will be required.
- After the 90 day option cycle, name changes can be made to all but one of the names listed on the booking, and may be subject to additional charges.
 - ◆ Double name changes are not permitted for sailings in Code Red status, or within 24 hours prior to sailing.
 - ◆ Name changes will be allowed outside 24 hours prior to sailing, but may be subject to additional charges given the following conditions: guests' air has been assigned, documents have been issued, or the request is less than 35 days prior to sailing.

Additional Information

Tour Conductor Credits

- Cruise-only tour conductor credits are earned on the following criteria and must be applied to a single berth or issued to the marketing fund:
 - ◆ For all itineraries, one cruise-only tour conductor credit is earned for every 10 full-tariff guests, based on double occupancy.
 - ◆ The value of the cruise-only tour conductor credit is determined by the category most sold within the group. If the same number of staterooms has been sold in two or more categories, the value is based on the lowest of those categories.
 - ◆ Singles paying 200% of the full fare count as two guests for tour conductor purposes.
 - ◆ Singles paying less than 200% will not count toward tour conductor credit.

Lost Stateroom Protection

- Fares and inventory will be protected when the fare or inventory is lost due to an error on the part of Celebrity Cruises. Misquoted fares and fares erroneously loaded into our systems are not protected.
- Fares will also be protected if we are contacted within 48 hours of the cancellation and the same inventory is available and full names and appropriate payments are provided.

Fare Conversion

- A fare may be converted if the guest meets all eligibility requirements of the new fare program. The fare program and all inventories must be available at the time of the conversion. The conversions are permitted up to the closing of the sailing. Commissions will be earned based on the new converted fare.

Cruise Documents

- Xpedition documents can be expected approximately 42 days prior to departure date. Celebrity Xpeditions reserves the right to hold documents until final payment has been received.
- Guests traveling together in the same stateroom will receive one document booklet for the stateroom unless requested prior to printing of documents.
- A document reissue fee of \$35USD per household will be charged when the travel agent or guest request new documents when no new documents are required for travel.
- Requests for paper documents rather than E-docs must be processed prior to 21 days from sailing to avoid additional charges.

Air Program

- Celebrity Cruises will provide air arrangements with inclusive travel packages at competitive fares. While we'll make all efforts to accommodate all air requests, group guests originating from the same air city may not necessarily be accommodated on the same flight. All guests using the air program will receive transportation and baggage transfers between the airport and pier.

Dining

- There is one scheduled dining time on board the vessel, therefore dining requests can not be accepted.

Value Add

- Value Add is permitted up to \$100USD per guest, and must be distributed to all guests equally.
- Value Add requires completion of Value Add Request Form for each sailing.
- Value Add Request Forms available on CruisingPower.com
- Value Add must be requested and approved within the initial 150 days from booking (or 180 days from sailing whichever comes first).
- Refunds for cancellation involving Value Add must be made to the guest, not the agency.

Student Groups

- Celebrity Xpeditions does not accept student groups. A student group is defined as a group of which 50% or more of the guests are under the age of 21. Please contact a Group Advocate for further details and requirements.

Group Marketing and Promotions

- All marketing materials used to promote your group must be pre-approved by your Sales Representative. All materials must contain a statement identifying the ship's registry. Restrictions on the advertising or promotion of group rates apply.
- The new Group Sales Kit will be available on line at www.cruisingpower.com after the effective date of the new policies.

Fares

- Fares quoted are per guest, based on double occupancy. All fares quoted to guests must include Non Commissionable Cruise Fares (NCCF).
- Changes: All fares, government fees, schedules, port calls, hours of arrival and departure and special programs are subject to change without notice. Celebrity Xpeditions reserves the right to assess fares and charges in effect at the time of booking and amend or add to the content of this brochure at any time.
