

CRUISE WITH CONFIDENCE

FAQS*

Updated January 12, 2021

1. What is Royal Caribbean’s “Cruise with Confidence” program? And what changes have recently been made?

Originally announced on March 6, 2020, Royal Caribbean International’s “Cruise with Confidence” program provides your clients with the reassurance necessary to confidently book a cruise during these uncertain times. A variety of options are offered to fit your client’s specific needs - And, now, your clients have until January 31, 2021 to take advantage! To be eligible, the booking must be active (not previously cancelled) without having previously accepted any other cancellation offers. “Cruise with Confidence” is a voluntary program designed to provide guests with different options and additional flexibility when booking a Royal Caribbean cruise.

- **Cancellation Flexibility:** Should your clients change their minds, Cruise with Confidence offers the flexibility to cancel up to 48-hours prior to the sail date and opt-in to Cruise with Confidence and receive a Future Cruise Credit (FCC) equal to 100% of the cruise fare they paid to Royal Caribbean. If a guest does not opt-in to receive a Cruise with Confidence FCC, the cancellation policy tied to the guest’s reservation at booking will continue to apply. Cruise with Confidence is available to guests booked on-or-before January 31, 2021 on Royal Caribbean sailings scheduled to depart through April 2022. Please note that, by requesting a Cruise with Confidence FCC, the guest waives any right to receive any refund of the cruise fare paid, even if the sailing is later canceled.
- **Lift & Shift:** This option is ideal for those guests simply wishing to move their vacation plans to next year. Between now and January 31, 2021, your clients can opt to move their existing booking, protecting their original cruise fare & promotion, to a qualifying sailing next year on the same itinerary type [aka “product”], sailing length, and stateroom category, but within 4-weeks before or 4 weeks after the date of their original cruise. Guests are eligible to lift & shift to qualifying sail dates on Royal Caribbean that depart on-or-before April 30, 2022 – subsequent sailings do not apply.
- **Best Price Guarantee:** Stick with us and your client is able to take advantage of our Best Price Guarantee policy up to 48-hours prior to their cruise vacation start date, ensuring they secure our best published rate. If our “best price guarantee” results in a decrease in the guest’s cruise fare on or before the Final Payment due date, the difference will be provided in a rate adjustment. If our “best price guarantee” results in a decrease in the guest’s cruise fare after the Final Payment due date, the difference will be provided to the guest in the form of a non-refundable onboard credit. Certain promotions are excluded from the offer. Our Best Price Guarantee is available to qualifying bookings on sailings departing on-or-before April 30, 2022. Bookings on subsequent sailings are not eligible.
- If desired, guests wishing to cancel prior to the Final Payment due date can absolutely do so for a full refund of all monies paid to Royal Caribbean and receive a Future Cruise Credit equal to the amount of any nonrefundable deposit paid.

2. Which sailings qualify for “Cruise with Confidence”?

All active bookings confirmed on-or-before January 31, 2021 for Royal Caribbean sailings through April 2022 (excluding Chartered sailings) are included in the Cruise with Confidence program. For contracted groups, the compensation available under Cruise with Confidence would be offered to the travel partner or direct purchaser who entered into the contract and guests would need to deal with that party directly. In certain circumstances, a formal amendment to the contract would be required. The terms of the FCC offered to a contracted group may not be the same. Chartered sailings are excluded.

3. What is the process for cancelling or re-accommodating my clients?

When choosing the Future Cruise Credit:

- Please submit the booking details via the digital "Cruise with Confidence/Cancel My Cruise" form located on CruisingPower.com under Brand Programs & News and we'll take it from there – ensuring the Future Cruise Credit is processed for your clients! Please be advised that all guests in the stateroom must opt for the Cruise with Confidence FCC in order for any of those guests to qualify. For your client to be eligible for a Cruise with Confidence FCC, your request must be submitted no later than 48 hours prior to the scheduled departure time of their sailing. By submitting the request, you will have cancelled the guest's reservation effective immediately. By requesting a Cruise with Confidence FCC, you are cancelling the guest's reservation and waiving any right he/she may have had to receive any refund of the cruise fare paid, even if the sailing is later canceled by Royal Caribbean.
- Your base commission will be protected on the cancelled booking only if: (i) it is paid in full; (ii) it is subject to 100% cancellation charges; and (iii) the guest has opted to cancel and take the Cruise with Confidence FCC. If the booking is paid in full and the guest misses the cancellation deadline of 48-hours prior to the sail date and requests cancellation, full penalties will be assessed, and commission will be protected.

When opting to cancel for a refund:

- If your client does not wish to take advantage of Cruise with Confidence, please use your preferred automation tool to cancel the reservation, the standard cancellation policy tied to the guest's reservation at booking will continue to apply.

4. Where can I locate the Cruise with Confidence digital form?

5. Will Travel Partner commission be protected?

When the guest opts for the Cruise with Confidence Future Cruise Credit (FCC):

- Yes, travel partner base commission will be protected on the cancelled booking and travel partners will have the opportunity to earn commission on the future reservation where the Cruise with Confidence FCC is applied. Please note that commission will be paid on cancelled reservations only if: (i) it is paid in full; (ii) it is subject to 100% cancellation charges; and (iii) the guest has opted to cancel and take the Cruise with Confidence FCC. If the booking is paid in full and the guest misses the cancellation deadline of 48-hours prior to the sail date and requests cancellation, full penalties will be assessed, and commission will be protected. Please note that FCC commission earnings are payable only on sailed reservations.

**Additionally, conditions may vary if booked through a Tour Operator. It's recommended that you reach out to the individual Tour Operator for applicable terms.*

When wishing to move to a future sailing (Lift & Shift):

- Commission will be paid on the sailed reservation and will be based on the final commissionable cruise fare. If already disbursed on the first reservation, the commission payout will follow through to the future booking and, should a price adjustment occur, will be based off the final commissionable cruise fare of the sailed booking. If the final commissionable cruise fare of the sailed booking is less and commission was already disbursed on the first reservation, the difference shall be subject to a commission recall by Royal Caribbean and Royal Caribbean will have the right to offset/deduct the difference from any other payments due to the travel partner.

When a better price is available from Royal Caribbean in-market (Best Price Guarantee):

- Normal policy applies – provided the reservations is: (i) paid in full; and (ii) subject to 100% cancellation charges, base commission will be paid on the earned, commissionable amount once the individual reservation is paid-in-full. If a price reduction after the Final Payment due date results in the generation of an onboard credit under our Best Price Guarantee, the amount of the commission payable will not be impacted by the onboard credit.

When opting to cancel for a refund:

- The standard cancellation policy tied to the guest's reservation at booking will continue to apply. Since commissions are earned only on reservations paid in full and subject to 100% cancellation charges, commission cannot be earned when the guest is entitled to a full or partial refund of the cruise fares paid.

6. What will happen to my client's NextCruise onboard credit if he/she chooses to cancel?

When choosing Cruise with Confidence, NextCruise onboard credits will be reallocated to your client's future booking. Additionally, if your client has received onboard credit as a result of a redeployment, charter, or other goodwill gesture, it will also follow them to the new reservation. If your client chooses to cancel without opting for a Cruise with Confidence FCC or "Lift & Shift," the NextCruise onboard credit will be forfeited.

7. Do the same parameters apply to both Group and Individual reservations?

All active bookings confirmed on-or-before January 31, 2021 for Royal Caribbean sailings through April 2022 (excluding

Chartered sailings) are included in the Cruise with Confidence program. For contracted groups, the compensation available under Cruise with Confidence would be offered to the travel partner or direct purchaser who entered into the contract and guests would need to deal with that party directly. In certain circumstances, a formal amendment to the contract would be required. The terms of the FCC offered to a contracted group may not be the same. Chartered sailings are excluded from Cruise with Confidence.

8. If my group shell is blocked prior to January 31, 2021, does the entire group now qualify for Cruise with Confidence, regardless of when names are entered?

To be eligible for Cruise with Confidence, bookings within a group must be named and deposited on- or- before January 31, 2021. Unnamed group shells do not apply.

9. What happens if one guest in a double stateroom wishes to cancel, while the other guest prefers to sail?

On or before the Final Payment due date: If one guest elects to cancel and receive a full or partial refund of their cruise fare, pricing for the guest still wishing to sail will be adjusted to reflect the current single supplement fare. After the Final payment due date: If the one guest was paid in full and elects to cancel while subject to 100% cancellation charges, the remaining single-traveler's fare will remain unchanged.

10. Will my client's air change fees be protected?

If your client booked refundable air travel through Royal Caribbean, change fees may be incurred and are the guest's responsibility. If your client booked non-refundable air travel through Royal Caribbean or booked air travel on their own, please reach out to the air carrier directly for assistance.

11. Will a refund be administered for hotels and transfers purchases?

When electing for a Future Cruise Credit:

- If your client purchased hotel accommodations or transfers with Royal Caribbean, those charges will be automatically refunded. Purchases outside of Royal Caribbean will need to be addressed directly with the supplier.

When opting to Lift & Shift:

- If your client purchased hotel accommodations or transfers with Royal Caribbean, these will be removed during the re-accommodation process, but, if desired, can be added back to the new reservation at prevailing rates once your client has been confirmed on the future ship/sailing. Purchases outside of Royal Caribbean will need to be addressed directly with the supplier.

Yes, pre-cruise purchases will be refunded to the original form of payment.

Sailing Departure Day	Last Day to Cancel
Sunday	Thursday
Monday	Friday
Tuesday	Saturday
Wednesday	Sunday
Thursday	Monday
Friday	Tuesday
Saturday	Wednesday

17. Will earned Tour Conductors be protected?

Under the Cruise with Confidence program, group Tour Conductor credits will be protected if the reservation is paid in full and subject to 100% cancellation charges. Note that the minimum required stateroom counts are still required to qualify.

18. If my client purchased Royal Caribbean's Travel Protection program, how is it impacted when my client opts for Cruise with Confidence?

Under our Cruise with Confidence program, the purchase of a Travel Protection program is non-refundable; however, when opting to Lift & Shift, it will carry through to your client's future reservation. If Lift & Shift is not desired, your client can choose to make a claim with AON, though once the claim is accepted, they will not be eligible to take advantage of the Cruise with Confidence program – therefore forfeiting their FCC in place of the related insurance refund.

FUTURE CRUISE CREDITS:

19. Assuming my client opts for a Future Cruise Credit, what is the redemption deadline?

NEW!! Cruise with Confidence FCCs must be booked/redeemed by April 30, 2022 (or 12 months from the cancellation date, whichever is further out) on a Royal Caribbean International sailing departing on or before **September 30, 2022**.

20. How is the value of my client's Future Cruise Credit determined?

Your client's Future Cruise Credit will be equal to 100% of the cruise fare (commissionable and non-commissionable cruise fare) paid to Royal Caribbean. Any taxes & fees, refundable air, pre/post hotels, transfers, prepaid gratuities, and taxes/fees will be refunded to the original form of payment.

21. What happens if there is a difference in cruise fare between the Future Cruise Credit issued for my client's cancellation and what they would like to book next?

If the cruise fare on your client's new booking exceeds the Future Cruise Credit's value, your client will be responsible for paying the difference. Alternatively, if the new cruise fare is lower than the Future Cruise Credit's value, a new Future Cruise Credit (with the same expiration date) will be issued for the balance and continue to be available until the FCC expires or the balance is zero, whichever occurs first. This will create yet another great opportunity to cruise with us again!

22. Are Future Cruise Credits interchangeable between brands?

No. Future Cruise Credits acquired through our "Cruise with Confidence" program are brand-specific and can only be redeemed on the cruise brand of the cancelled reservation.

23. Will my client's Future Cruise Credit be sent directly to him/her? If so, how will travel partners be notified?

All Future Cruise Credits will be sent directly to the affected guest, with the associated travel advisor in copy, if the guest booked through one.

24. What if my client used a Future Cruise Credit to pay for their existing cruise and now wishes to cancel under "Cruise with Confidence" terms?

If a Future Cruise Credit was used to pay for either all or a portion of your client's existing reservation, we are making it easy for them by combining all funds into one FCC. The value of the original FCC will be added to the new FCC at 100% of the amount redeemed on the cancelled reservation, plus the addition of any amount paid. The expiration date of the new FCC will be that of the original certificate, or 12-months from the cancellation date, whichever is further out, at which time all unused value will expire.

25. Are there any ships/sailings where the Cruise with Confidence Future Cruise Credit may not be used?

FCCs issued by Royal Caribbean under Cruise with Confidence can be redeemed on any future Royal Caribbean sailing departing on or before the expiration date noted on the Future Cruise Certificate. FCCs cannot be used toward a booking in a contracted group or chartered sailing.

26. Is my client able to redeem his/her Future Cruise Credit on a holiday sailing?

Absolutely! FCCs administered as a result of Cruise with Confidence may be used on holiday departures.

27. Can Future Cruise Credits be used to pay for the deposit owed on my client's reservation?

Yes. As long as the value of the Future Cruise Credit covers the full deposit amount, no additional funds will be owed until the Final Payment due date, at which time any cruise fare balance and taxes/fees must be paid using another form of payment. If the value of the FCC does not cover the full deposit amount, additional funds will be required to pay the total deposit amount. Thereafter, the remaining balance must be paid on or before the Final Payment due date.

28. What happens if my client placed a deposit on a new booking and the FCC that is issued is valued at more than the value of his or her cruise?

Once the request is received, we will apply the Future Cruise Credit to your client's reservation. Your client's deposit can be used towards any taxes/fees, pre-paid gratuities, or travel protection. If the FCC has any additional value after application, the balance will be reissued as a new FCC bearing the same expiration date as the original FCC.

29. Can my client use more than one Future Cruise Credit to pay for his/her cruise fare?

At this time, only one FCC can be applied to each guest in a reservation. Future Cruise Credits are not stackable.

30. Are Future Cruise Credits applicable to existing bookings or do only new reservations qualify?

Ideally, future Cruise Credits should be used on new bookings; however, we understand that your client may have already made a new booking with the deposit paid in anticipation of receiving the FCC. Your clients can opt to apply the FCC to cover any amount due towards the cruise fare on an existing booking. FCCs cannot be used to obtain a refund. Please note that FCCs do not cover taxes & fees or other booking components - such as prepaid gratuities or transfers and only one Future Cruise Credit may be used by each person on the reservation.

31. If my client has a unique scenario, specifically related to the redemption of their Future Cruise Credit, is there a process that I should follow to assist in servicing such requests?

We understand that there may be one-off scenarios that need special attention or unique consideration. Most of these situations can be addressed by our contact center team members as they have been trained accordingly. As a reminder, those inquiries can be directed towards our Individual Reservations team at 1-800-327-6700 or Group Reservations at 1-800-327-2055, depending on the booking type. If you have a truly unique situation, we also have a special support team at (800) 529-6918 set up to assist.

32. Is the expiration date posted on a Future Cruise Credit indicative of when my client must book by or sail by?

On a Future Cruise Credit, the expiration date indicates when the FCC must be redeemed by - or, in other words, the last date that the noted guest can book and apply the FCC. The "sail by" deadline signifies that the FCC can be applied to any qualifying cruise departing on-or-before the noted date.

LIFT & SHIFT:

33. Understanding that the same itinerary, stateroom category, sailing length, and timeframe are a requirement, is it essential that my client rebook on the same ship as well?

No, it is not required that your client rebook on the same ship or ship class.

34. If my client booked prior to January 31, 2021, is he/she eligible to Lift & Shift at any point prior to sailing?

Guests are eligible to move their reservation under the Lift & Shift guidelines between now and January 31, 2021 to sailings departing through April 2022 only. After this point, Lift & Shift will expire and is no longer available.

35. Can I leverage automated tools to Lift & Shift my clients?

Yes. Recent enhancements to CruisingPower now support the ability to Lift & Shift your client's reservation to next year. Simply sign-in to CruisingPower.com, click on "Brand Programs & News / Cruise with Confidence" and follow the simple steps to Lift & Shift. Please allow up to 72-hours for the requested changes to be reflected in our system.

36. Will my client's add-ons (such as air, transfers, and hotel) and pre-cruise purchases (such as beverage packages, shore excursions, etc.), follow to the future ship/sailing?

No. All add-ons and pre-cruise purchases will be removed during the re-booking process and can be added to the future reservation at prevailing rates, if desired.

37. Are any sail dates ineligible for Lift & Shift?

Christmas, New Year's, and Chinese New Year's cruises are ineligible, unless your client is currently confirmed on one of these sailings and wishes to take advantage of Lift & Shift to move to the same sailing next year (assuming all other qualifying criteria are met).

38. Is there a limit to the number of times my client can Lift & Shift their reservation?

Yes. A guest may reschedule a sailing under "Lift & Shift" only once. Once the Lift & Shift option has been applied, the guest may not change the ship or sail date again without losing the original cruise fare and promotion. An exception to this rule is when a booking shifts to a new sailing and then is suspended with Lift & Shift as one of the options for compensation.

39. Are taxes & fees protected under Lift & Shift?

No. When leveraging Lift & Shift to move your client's booking to a future sail date, taxes & fees will be adjusted to reflect the charges associated with the new sailing. Taxes & fees from the original sail date will not be protected.

40. To Lift & Shift, is it required that my client's reservation be paid in full?

In order to take advantage of Lift & Shift, names and full deposit must be placed on the booking. If it is after the Final Payment due date, the booking must be paid in full as well.

41. My client's existing reservation has reached the Final Payment due date and currently resides within the cancellation penalty period. Is my client still able to Lift & Shift?

Absolutely! If all required criteria are met, your client can opt to Lift & Shift to a qualifying future sail date. If the original sailing was subject to cancellation charges (as determined on the day the booking is moved), the cancellation charges incurred based on the prior cancellation schedule will follow the booking to the new sailing. Assuming that your client sails as planned, there is no impact. However, if the guest subsequently cancels his or her booking on the later sailing, the cancellation charges to be assessed will be the cancellation charges incurred: (i) under the original booking's cancellation schedule; or (ii) under the cancellation schedule for the later sailing, whichever is greater.

42. My client has applied payment in the amount of the full deposit to their existing reservation but has not yet reached the Final Payment due date. Is my client able to Lift & Shift?

Of course! Your client can easily Lift & Shift to a qualifying future sail date. The funds paid to-date will follow, and the revised payment schedule will adjust to reflect that of the new ship and sailing.

43. Upon re-booking my client, will his/her payment schedule automatically update to now reflect that of the future sail date?

Yes. Upon moving your client from the original sailing to a qualifying future sail date, an updated payment schedule will automatically reflect on your client's reservation, as well as on associated invoices.

this tour to Lift & Shift. Alaska Cruisetours and Canadian Cruisetours are not interchangeable.

BEST PRICE GUARANTEE:

44. For price adjustments within Final Payment, are the Onboard Credits refundable?

No. The Onboard Credit earned as a result of a reduction in price is non-refundable.

45. Can I leverage automated tools to take advantage of Best Price Guarantee?

- On or before the Final Payment Due Date: Simply leverage your preferred booking engine to adjust to the better rate. The rate adjustment will reflect automatically.
- After the Final Payment Due Date: A recent CruisingPower enhancement now supports the ability to convert your client's reservation to the best price Royal Caribbean offers in that market with just a few easy steps – Click on “Brand Programs & News / Cruise with Confidence” and enter the requested information under the “Best Price Guarantee” section. Any decrease in the rate will be provided in the form of a non-refundable onboard credit. Additionally, our contact center team is available to assist so, if preferred, please give us a call and we'll review the options.

46. Will a price reduction automatically reflect on my client's reservation?

No. Pricing will remain unchanged on all bookings unless a request is made to adjust the rate to a more favorable one under our “Best Price Guarantee.”

47. If my client opts for a lower rate under Best Price Guarantee, is he/she still eligible for promotional onboard credits previously confirmed on the reservation?

When electing to take advantage of Best Price Guarantee, it's required that your client accept the terms of the new rate, discontinuing all prior promotional offerings. In this instance, the previous onboard credit is no longer eligible and will be replaced with the terms of the newly selected rate code.

48. If my client opts for a lower rate under Best Price Guarantee, will my commission be impacted?

When adjusting to a lower rate after the Final Payment due date and provided the booking is paid in full, we've got you covered as your commission payout will not be affected by the change. On or before the Final Payment due date, if your client's cruise fare is reduced, your commission will be adjusted to reflect the new commission amount based on the lower cruise fare.

SCENARIOS

Different Ship:

- **If my client was confirmed on *Rhapsody of the Seas* in Europe October 2020. Is my client able to book on *Harmony of the Seas* in September 2021 under the Lift & Shift policy?**

Absolutely! As long as your client is sailing next year on a departure that falls within a 4-week span of their sail date, he/she is able to enjoy a cruise onboard the *Harmony of the Seas* in Europe within the same stateroom category and on a sailing of the same length.

- **My client was confirmed on the Open Jaw Alaska itinerary onboard *Radiance of the Seas* in 2020 and is interested in moving to the Roundtrip Alaska itinerary onboard *Ovation of the Seas* in 2021. Does this qualify for Lift & Shift?**

Assuming your client confirms the same stateroom category and is within a 4-week timeframe next season, yes, this scenario will qualify for Lift & Shift as the sailing length and itinerary type meet the required criteria.

Different Sailing Length:

- **If my client was booked on a 4-night Bahamas cruise onboard *Mariner of the Seas* in October 2020 and now wishes to move to a 3-Night weekend getaway onboard the same ship in October 2021, can my client take advantage of Lift & Shift as long as the same stateroom category is selected?**

Though the same itinerary, stateroom category, and 4-week cruise window were selected, unfortunately, Lift & Shift is only applicable on sailings of the same length. If your clients would like to reconsider, we will happily protect the pricing and promotional offerings on a 4-Night Bahamas cruise in October 2021.

Different Inventory Type:

- **If my client would like to Lift & Shift from 2020 to the same cruise in 2021 but would now prefer a balcony stateroom over their prior oceanview. Is this possible?**

If desired, your client is certainly able to upgrade to balcony accommodations, though under prevailing fares. Unfortunately, prior rates and promotions will not be carried over.

Different Timing:

- **My client is currently confirmed on *Oasis of the Seas* departing Fort Lauderdale on December 6, 2020 and wishes to Lift & Shift this reservation to *Oasis of the Seas* departing Miami on December 19, 2021. Is this feasible?**

Since December 19, 2021 is a holiday sailing and the current reservation is confirmed on a non-holiday December cruise, unfortunately, Lift & Shift does not apply.

TEMPORARY POLICY RELIEF

For sailings January 1 - June 30, 2021:

- Group touchpoints at 180 Days-to-Sailing and 120 Days-to-Sailing have been temporarily waived, allowing the ability to hold space until the Final Payment due date.

49. Why was the decision made to relax some of the normal policies?

The temporary relief to our standard group review policies will allow greater flexibility during these uncertain times to better accommodate your group business through the first half of 2021.

50. Do I need to opt-in to this program?

No. Your space will automatically be updated to reflect these new policies for qualifying sailings in 2021.

51. What happens if I already had groups past the 180/120-day checkpoints on 2020 sailings?

As this is a backend process that went into effect March 30, 2020 it will not be applied retroactively. Groups that have already passed the 180/120-day checkpoints will not be reinstated. However, you are welcome to transfer additional space into these groups at prevailing rates.

52. Are contracted groups and charters included in these updated group checkpoint policies?

No. Contracted groups and charters are excluded from this policy adjustment as they have unique payment schedules.
