

Dear Valued Travel Partners,

Please be advised that effective immediately, the following two policies are in effect for all sailings on Azamara CruisesSM, Celebrity Cruises[®] and Royal Caribbean International[®]:

Infant Policy

Infants sailing on a cruise must be at least 6 months old as of the first day of the cruise/cruisetour. However, for Transatlantic, Transpacific, Hawaii, select South American cruises/cruisetours and other selected cruises/cruisetours, the infant (as of the first day of the cruise/cruisetour) must be at least 12 months old.

As of April 22, 2008, the list of cruises to which the 12 month minimum age requirement applies (in addition to all Transatlantic, Transpacific, and Hawaii cruises) is as follows:

- Celebrity InfinitySM - January 31, 2010, February 14, 2010;
- Mariner of the Seas[®] - January 4, 2009, January 19, 2009, February 3, 2009;
- Splendour of the Seas[®] - March 30, 2009;
- Legend of the Seas[®] - October 23, 2009, November 4, 2009.

Any cruisetours associated with these cruises are also subject to the 12 month minimum age requirement.

Denial of boarding for infants who do not satisfy these minimum age requirements may also result in the denial of boarding for one or more guests sailing with that infant. No refunds or other compensation shall be due from the cruise line to anyone as a result of the denial of boarding to an underage infant or other accompanying guests. If you have a guest with an infant that does meet these requirements that has already booked a cruise, please contact us at 1-877-222-2526 for Azamara CruisesSM, 1-800-437-3111 for Celebrity Cruises[®], or 1-800-327-6700 for Royal Caribbean International[®].

Pregnancy Policy

Azamara CruisesSM, Celebrity Cruises[®] and Royal Caribbean International[®] cannot accept guests who will have entered their 24th week of pregnancy by the beginning of, or at any time during, the cruise or cruisetour. A physician's "Fit to Travel" note is required prior to sailing, stating how far along (in weeks) the guest's pregnancy will be at the beginning of the cruise and confirming that the guest is in good health and not experiencing a high-risk pregnancy. The "Fit to Travel" note should be faxed to the Access Department at 1-954-628-9622. Please contact us at 1-866-592-7225 or at special_needs@rcl.com if you have a guest that has already booked a cruise and does not meet this requirement.

Thank you very much for your cooperation.
