

## DAILY RESERVATIONS WITH MY TIME DINING<sup>SM</sup>

Just like dining at a favorite restaurant back home, our My Time Dining\*\* program allows you to enjoy the fine quality, ambiance and friendly service of dinner in our main dining room, while reserving the perfect seating times\* during your cruise vacation. To ensure prompt service, reservations for each evening are strongly encouraged and can be made online. Since the demand for seating in the main dining room varies nightly, and can increase significantly following the evening shows, please reserve your preferred dinner times as early as possible.

Reserve your dining times under Daily Reservations in the Pre-Cruise Planner online section of RoyalCaribbean.com. Dinner reservations can be requested for an intimate table for two or a larger table accommodating up to a total of 10 guests. You can request reservations for the same time with the same people nightly or a different time every evening with different companions. If a particular time is unavailable, Daily Reservations will suggest an alternative time that is closest to your request. You will then be able to review your daily dinner reservation details in an easy-to-navigate calendar view, as well as request changes for your dinner reservations through RoyalCaribbean.com.

You also can make dinner reservations in select specialty restaurants, including Royal Caribbean's signature Chops Grille steakhouse and Portofino Italian restaurant and Oasis of the Seas<sup>SM</sup>: Giovanni's Table Italian family-style dining, Solarium Bistro, or 150 Central Park.

\*Between the hours of 6:00-9:30pm - Times vary by ship.

### Daily Reservations Will be Deployed Fleetwide Throughout Spring 2010.
