

'TIS THE SEASON FOR ADVENTURE

This year, start a new holiday tradition at sea with island hopping, warm winter days and epic memories. All December long, Royal Caribbean® is bringing your holiday favorites onboard — from ugly sweater parties, to story time with Santa's elves, to the hottest New Year's party yet. Join us onboard for a celebration like no other and Deck the Holidays with Royal Caribbean.

DECKED OUT DECOR

Red and green abounds on the ocean blue. Take a stroll down the Royal Promenade where you will be transported to a winter wonderland. Or arrive to the Royal Theater early as pre-show carolers delight with holiday favorites. And holiday games will make spirits merry and bright.

HO-HO-HOLIDAY FUN

When Santa's not busy loading his sleigh, he'll be flashing his jolly smile for everyone onboard along with his merry elves. Just don't forget to leave him milk and cookies.

CHRISTMAS TIME IS FAMILY TIME

The last place the kids will want to be is snug in their beds. Not when they could make friends with elves, making their own ornaments, creating a reindeer and more.

A NEW WAY TO NEW YEAR'S

The best New Year's Eve celebration is at sea — and you're invited. Dress up and go all out for a ship-wide party as we count down to the big Balloon Drop and ring in 2023 on the dance floor. This is one New Year's spectacular you'll remember all year.
