

# A FEAST OF FLAVORS

## TASTE ROYAL

You're in for a feast of flavors with our new Taste of Royal program, where you can enjoy a prix-fixe lunch experience of signature courses from our top specialty restaurants. You'll get to savor some of our top dishes from across the fleet in one unforgettable meal. And you'll have the option to add a wine pairing to upgrade your experience.

To tempt your taste buds, your meal will begin Far East with a selection of sushi and sashimi presented by Izumi. Next up is a take on Tuscany from Giovanni's<sup>SM</sup> Italian Kitchen featuring mascarpone risotto with crabmeat. Then Chops Grille<sup>SM</sup> will anchor the savory selections with a classic surf and turf of filet mignon and jumbo shrimp. Make sure you save room for dessert — indulgent fried cheesecake with Nutella, whipped cream and caramelized popcorn from 150 Central Park. And top it all off with a classic Aperol Spritz from Hooked Seafood<sup>SM</sup>. We are very excited for you to explore some of the favorite flavors of our fleet!
