Royal Caribbean Shore Excursions are divided into seven new categories.

Learn more about them so you can recommend the right tours and experiences to your clients.

Active Adventures: All outdoor experiences, searchable by activity level. Includes beach tours, water sports, boating, snorkeling, diving, wildlife excursions, flightseeing, and city tours by bike or Segway, among others. *Sample Tour: Tree Limin' Extreme Rainforest Zipline on St. Thomas.* Double the fun when two fly together down St. Peter Mountain on a stunningly scenic course with views of Magen's Bay.

Family Connections: Excursions that kids and parents – grandparents, too! -- can share and enjoy together. Great for multi-generational travel. *Sample Tour: Be a Gladiator in Rome.* Learn the basics of this ancient form of combat in the heart of the Eternal City.

Royal Tour Challenges: Fun competition-based activities created for families and smaller groups. *Sample Tour: "Soccer 5" and Paddle Tennis Tournament in Gijon, Spain.* Hit the pitch for a pro-style tourney with teams of five guests and play matches of padel tennis, a racquet sport played in enclosed courts.

Culture and Sights: History, culture, arts and architecture tours. Here you'll find classic sightseeing excursions, guided museum visits, performances and more. *Sample Tour: Ancient Totem Poles and Rainforest Canoe Ride in Ketchikan, Alaska.* Visit a park where totem poles are surrounded by rainforest, then enjoy a mountain lake from a traditional canoe.

Culinary Delights: Tours that highlight local specialties and products with opportunities to meet chefs, winemakers, brewers, farmers and purveyors. *Sample Tour: Italian Pasta Experience from La Spezia.* Visit a family-run factory, then learn how to prepare Tuscan recipes in the country kitchen of a wine estate.

Caring Discoveries: Tours that help wildlife, the environment and/or communities. For clients who want to give back on vacation. *Sample Tour: Save a Sea Turtle Experience in Cozumel.* Clients get hands-on helping to rescue tiny turtle hatchlings.
