

# ROYAL CARIBBEAN WEEKEND GETAWAY SELLING TIPS:

## Which ships offer the best weekend experience?

The ultimate weekend getaway can be had on two newly Amplified ships — *Mariner of the Seas*<sup>®</sup> sailing from Port Canaveral, FL and *Navigator of the Seas*<sup>®</sup> sailing from Miami, FL

## What makes *Mariner* and *Navigator* special?

These ships have been amped up with incredible new thrills and venues that have changed the game of weekend getaways. New adventures include glow-in-the-dark laser tag and Royal Escape Rooms. Nightlife hotspots like The Bamboo Room and Playmakers<sup>SM</sup> Sports Bar & Arcade. Plus fan-favorite culinary journeys at Jamie's Italian by Jamie Oliver and Izumi.

On *Mariner of the Seas*, your clients can enjoy no limits launching on the Sky Pad<sup>SM</sup> bungee trampoline. Or take on the twists and turns of The Perfect Storm<sup>SM</sup> waterslides, featuring the addicting Typhoon<sup>SM</sup> and Cyclone<sup>SM</sup>.

On *Navigator of the Seas*, The Perfect Storm features our most exhilarating duo yet — the longest waterslide at sea, The Blaster<sup>SM</sup>, and the only headfirst mat racer on any ship, Riptide<sup>SM</sup>. Your clients can take daytime libations or moonlit lounging to the next level at The Lime and Coconut<sup>SM</sup> Caribbean bar spanning three decks. And they'll savor dining that turns the table on craveable cuisine at new restaurants like Hooked Seafood<sup>SM</sup>, El Loco Fresh<sup>SM</sup> and Johnny Rockets<sup>®</sup> Express.

## What type of clients are these getaways best suited for?

These 3-night getaways are a perfect introduction for your clients who have either never cruised, or have never sailed Royal Caribbean. They can have a bold vacation and test the waters on these maxed out ships without the financial or time commitment of a weekday or 7-night cruise.

Families of all sizes will also appreciate everything these ships have to offer, with bonding moments at every turn — from glow-in-the-dark laser tag to Royal Escape Rooms and more.

Florida locals can also enjoy the convenience of multiple getaways per year on top of their longer vacations.

## What ports do these ships visit?

Our weekend getaways are Bahamas bound, with stops in Nassau, and our all-new private destination Perfect Day at CocoCay, opening May 2019. Perfect Day at CocoCay excites with record breaking thrills like the tallest waterslide in North America, Daredevil's Peak<sup>SM</sup>, the largest wave pool in the Caribbean, plus the Up, Up and Away helium balloon offering the highest vantage point in The Bahamas.

And your clients looking for new ways to chill can relax among the powdery sands and crystal waters at the aptly named Chill Island<sup>SM</sup>, take a dip in the Caribbean's largest freshwater pool, Oasis Lagoon<sup>SM</sup>, or bask in the luxury of the first overwater cabanas in The Bahamas at Coco Beach Club<sup>SM</sup> opening December 2019.
