

Online Check-In

Azamara® is dedicated to providing you with technology that makes your cruise experience as seamless as possible. Which is why we offer two options for you to complete your Guest Self Check-In via the Azamara App (available for both iOS and Android) or through Azamara.com.

Mobile App available for PursuitSM

Here's what you can expect on the app:

1. Download the Azamara App
2. Create a Guest Account or log into an existing account, if available
3. Provide contact information for each sailing guest
4. Scan your passport, upload a self-photo, and complete all other requested fields to generate each guest's Boarding Pass
5. Setup onboard expense account

Website access available for all ships

Here's what you can expect online:

1. Create a Guest Account or log into an existing account, if available
2. Provide contact information for each sailing guests
3. Provide travel documentation for each sailing guests
4. Upload a security photo
