

SHINE BRIGHT

UNDER A DESTINATION CELEBRATIONSM

The world may have changed, but our commitment to delivering experiences that connect you to authentic culture remains intact. That is why we are introducing **Destination CelebrationSM**, the adaptation of AzAmazing Evenings[®] for our 2022 and beginning of 2023 sailings, which you can now experience without having to step away from your boutique hotel at sea.

Our new complimentary nighttime event will bring culture and heritage encounters to life onboard and will be exclusively available for Azamara guests through the spring of 2022 on most voyages of seven nights or longer.

Join us and be part of these immersive evenings that will bring the culture of your destination to the comfort of our ships.
