2022/2023/2024

\* This document is not intended for Guests. A Guest version is available on request.

### Partnership Background

Azamara® has partnered with PerryGolf since 2011 in the creation and delivery of high end all-inclusive fully managed golf cruises to various parts of the world. PerryGolf has been in business since 1984, has operations in Wilmington, NC and Helensburgh, Scotland and is a leading provider of international golf vacations to the most memorable destinations in the world.

### Current Golf Cruise Destinations

Our 2022/2023/2024 portfolio of worldwide **Golf Cruises** features **twenty-nine** departures with play on more than **70 marquee courses** in **23 countries**. Dozens of these courses are ranked among the world's top 100 by GOLF Magazine, such as **Northern Ireland's Royal County Down (#6)**, **Scotland's Royal Dornoch (#10)** & **New Zealand's Cape Kidnappers (#44)**.

From January to November we'll visit **South Africa, New Zealand & Australia, South America**, the **Iberian Peninsula, Norway, Southeast Asia**, the **Baltic Sea**, the **British Isles** including attendance to **The Open** at St Andrews in 2022 and Royal Liverpool in 2023, the **Mediterranean & Arabian Gulf**.

Our new **Golf Lite** program debuts on the **2022 British Isles Golf Cruise**. Your clients can choose the full program of five / six rounds or the Golf Lite with three. We've had inquiries about such a program so we look forward to giving it a try.

We are pleased to introduce a selection of **Back-to-Back Golf Cruises**  ranging from 22 – 47 days that allow your clients to unpack once and play for weeks. Plus, they'll earn additional savings.

### Golf Cruise Format

The golf cruises are hosted and fully managed by PerryGolf. The itineraries are selected to provide a balance for the guests between outstanding golf and Destination Immersion® Experiences. All golf related arrangements and logistics are managed in advance and onsite by PerryGolf. Typically (although varies dependent on individual itineraries), the golf cruise program will schedule golf on just over half of shore days, allowing golfers a balance of golf and other activities. Beyond golf, guests are free to explore on their own arrangements or via **Azamara Shore Excursions®**. The ethos of the golf cruise program is to ensure the high level of service which guests enjoy onboard the Azamara® ships is extended to the overall golf service experience off the ship.

### Group Size

The typical golf cruise group size is approximately 40 – 60 golfers with on average a further 10 non-golfing spouses.

The annual cruise including The Open will typically number 150 golfers with a further 50 nongolfing spouses.

Multiple transfers from ship to golf course ensure that each guest enjoys a very personalized level of service.

Some guests will travel in small relatively self contained groups, eg 2 or 4 couples who know each other, and they have their own golfing partners already arranged. Other guests travel as individual couples or single travelers and are seeking to meet and play golf with other guests, and PerryGolf arranges a variety of golf pairings for these guests and through this a great many friendships are born. Non-golfing spouses are also perfectly catered for with the range and breadth of **Azamara Shore Excursions®** available.

### Typical Golf Day

Each guest's golf equipment is managed from start to finish of the golf cruise by PerryGolf. On each golf day the golf equipment will be taken to the golf course in advance, loaded onto a golf cart (or be waiting with a caddie at certain venues) and be ready and waiting for each guest's arrival at the golf course.

Multiple ground transfers from the ship ensure that each guest arrives at the golf course at a time which allows suitable opportunity to warm up before play. A sandwich lunch is provided for consumption on the golf course during play, sometimes as a box lunch from the ship, or alternatively provided by the golf course. Snacks, soft drinks and water are available during play.

Following golf, guests will relax in the clubhouse with an open bar enjoying a chat about their round and to experience the particular ambience of that club before returning to the ship on the transfer provided.

On one golf day during each cruise an informal competition will be held with individual and fun prizes, an awards ceremony taking place later onboard the ship.

## Social Activities

A number of onboard golf group social events are scheduled (welcome cocktails and briefing on the first evening, one or two mid cruise cocktail party or awards social gatherings, and a final evening farewell event). Participating golfers and any non-golfing spouses are all most cordially welcomed.

There is usually a strong bond created within the group, while at the same time all golf group guests remain free to enjoy all the flexibility of social, dining, activity, and entertainment which Azamara® accommodates so beautifully.

## Cruise & Golf Package

The Golf Cruise is separated into a CRUISE purchase and a GOLF PACKAGE purchase. The Golf Package is inclusive of all items listed below. It typically includes between 4 and 7 rounds with per person prices from \$2,000 to \$5,000.

They will also earn 10% from PerryGolf on the value of all booked pre/post cruise options plus mid-cruise overnight/overland options including for any accompanying non-golfing spouses.

## Travel Agent Tips
