

Think the Caribbean can't get any better?
Think again.

New sailings from Port Canaveral, Tampa, and Fort Lauderdale.

We're making island hopping in paradise better than ever. In the fall of 2024, for the first time, we're calling Port Canaveral home, so your clients have even more places to start their island-hopping getaways. With the Kennedy Space Center, the charming coastal resorts of Cocoa Beach, and the theme parks of Orlando nearby, it's the perfect place to start and end their vacation. With exciting new itineraries to choose from aboard the award-winning Celebrity Equinox®—the perfect complement to the breathtaking islands—we'll launch your clients on an unforgettable journey through paradise.

We're also adding new Caribbean sailings from Fort Lauderdale aboard Celebrity Summit® and Celebrity Apex®. And in Tampa, we've added new 7-night sailings on Celebrity Constellation® that are perfect for unwinding on island time. With all the new we've added to the Caribbean, your clients are sure to find exactly what they want for an unforgettable getaway.
