NEW 2026/2027 SEASON OF SAILINGS IS HERE

YOU'LL NEVER WANT TO ALASKA ANY OTHER WAY

Our new 2026 season of sailings to The Last Frontier were carefully designed to take your clients breath away both on board our stunning ships and in the places they'll visit. Because, after all, where your clients go on vacation is important, but how they get there makes all the difference.

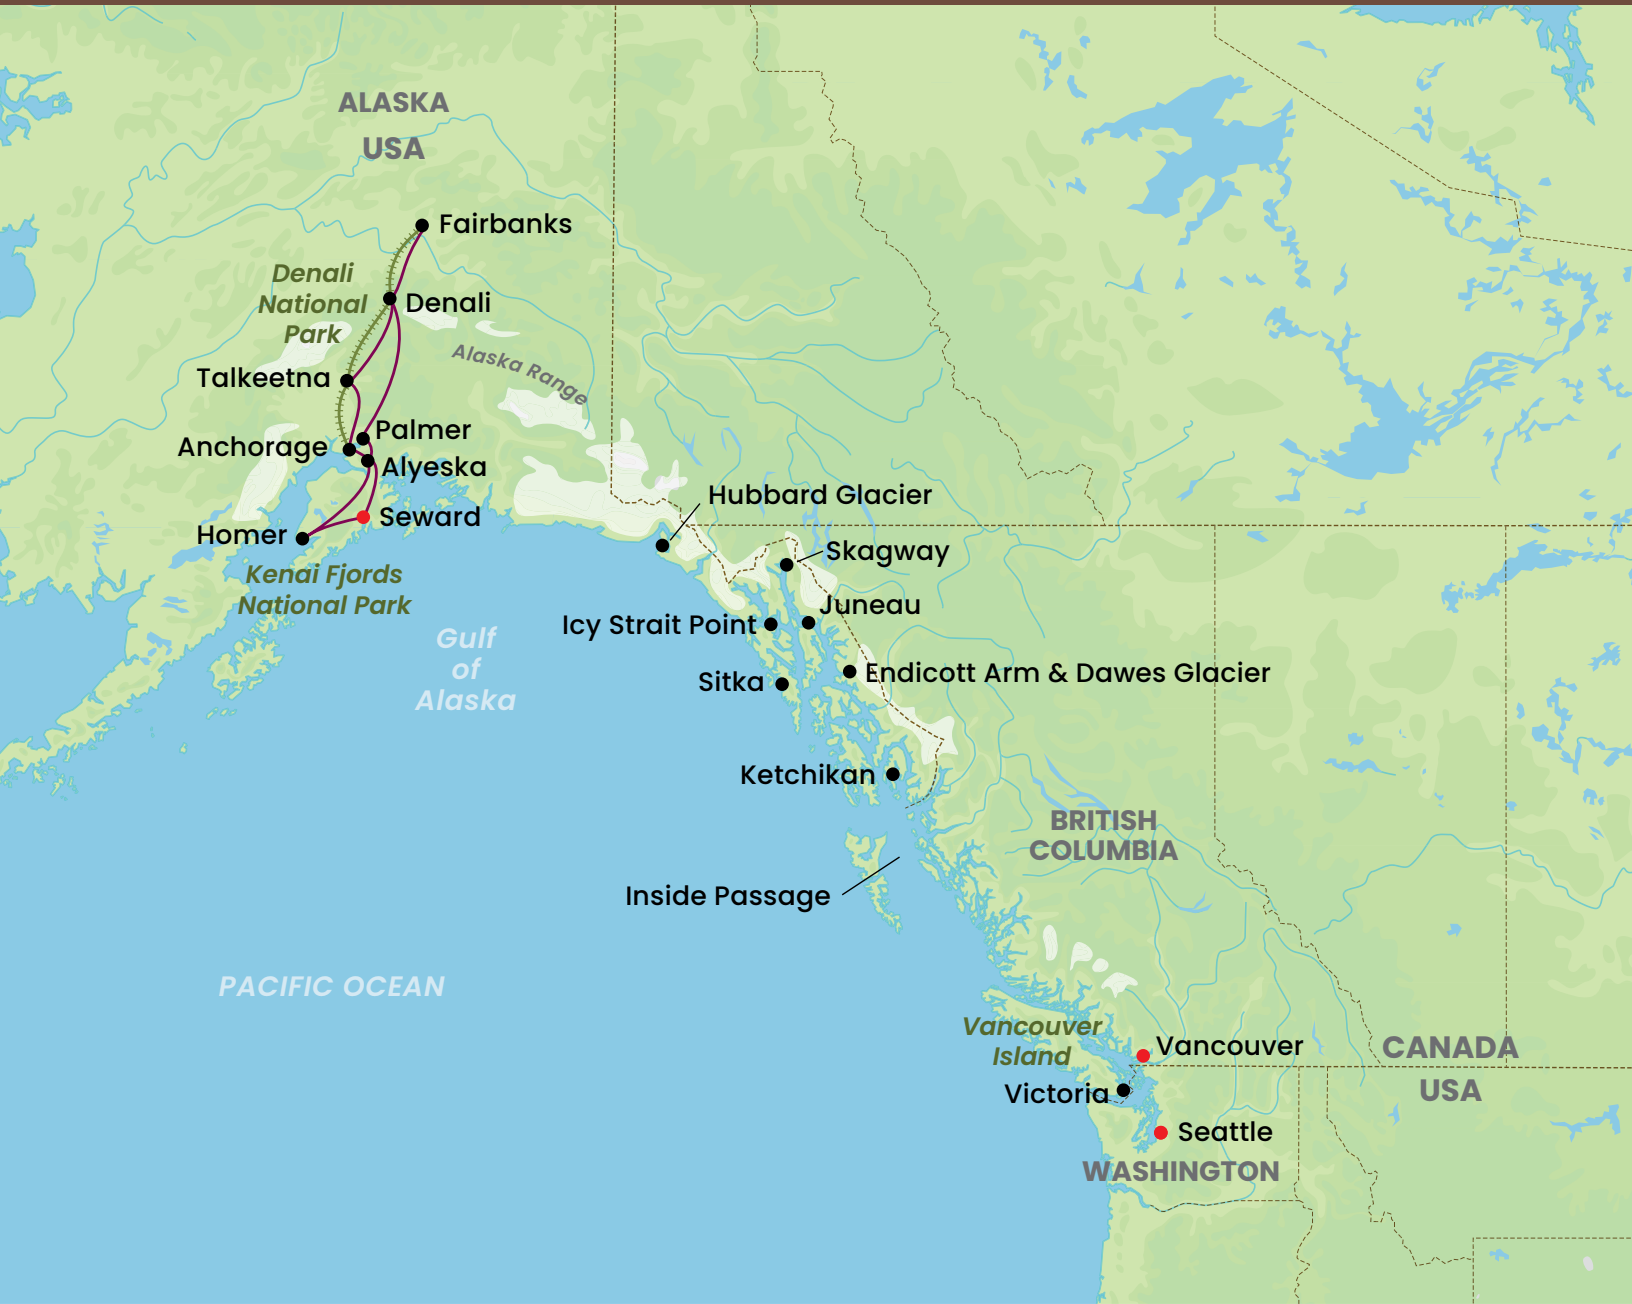

Celebrity Edge®, from our revolutionary series, returns to Alaska for its third season along with two more stunning ships from our fleet. With three ships sailing the region, we have the perfect itinerary for every bucket-list traveler. They'll discover captivating towns like Juneau, Ketchikan, Skagway, Icy Strait Point, and Sitka.

Sail the stunning Inside Passage and visit majestic glaciers.

We give even the best views a lift with the Magic Carpet where they'll soar 12 decks above sea-level.

View whales, eagles, and the rugged coastline from the comfort of their Infinite Veranda stateroom. Your clients can raise a toast to calving glaciers from The Sunset Bar. Or lounge at the Rooftop Garden and soak it all in. With its outward-facing design, Celebrity Edge lets them connect with the great outdoors like never before. No matter which ship or itinerary they choose, they'll discover that we do Alaska like no one else can.

Your clients can prepare to be amazed with our 2026 season of sailings in Canada and New England.

From bucket-list destinations to ships that are destinations in themselves, we'll show them the best views of the Northeast, because as we all know, it's how they get there that counts. They will step aboard Celebrity Silhouette, a ship that turns heads on its own, for a sailing that features the incredible fall colors of maple forests, the dramatic cliffs and rugged coastline of the North Atlantic, and city skylines of Quebec City and Halifax. And, with overnight stays in Quebec City, they'll discover the exciting nightlife like a local.

These new sailings set sail from Boston on a vacation that pictures just won't do justice.
