CELEBRITY FLORA

Celebrity Flora® is the first ship of its kind to be built especially for the Galapagos Islands. This 100-guest all-suite luxury mega-yacht features our innovative outward-facing concept—designed to ensure the destination remains the center of attention during your sailing. Inspired by the islands and built with natural materials, the ship merges seamlessly with the surroundings, giving our guests a feeling of total immersion. On Celebrity Flora your clients can enjoy the first sunset-to-sunrise experience of its kind in the Galapagos Islands.

Proving you can practice responsible tourism and deliver ultimate luxury at the same time, Celebrity Flora was built with the latest environmental technologies. The dynamic positioning system allows the mega-yacht to remain on station without dropping anchors, protecting the seabed—and the solar panels supplement electricity, reducing emissions. The result is one of the most eco-friendly ships sailing anywhere—just one reason Celebrity Flora has won numerous awards including Travel Weekly's Magellan Awards: Gold Award Best Small Ship for 5 Consecutive Years in 2022.
