

CELEBRITY SELECT DINING: FAQ'S

Q. When do I choose to participate in Celebrity Select Dining, Early, Late, or Anytime?

A. Guests will choose either Celebrity Select Dining, Early, Late, or Anytime during the booking process. There will be a limited number of reservations that can be accommodated within Celebrity Select Dining Anytime. Guests will be accommodated on a first come/first served basis. All remaining guests will be assigned to a Early or Late seating time based on capacity on a first come/first served basis.

Q. Can a guest choose to change from Celebrity Select Early or Late to Celebrity Select Dining Anytime on board?

A. Yes, within the first 24 hours of their cruise starting if there is space available.

Q. Are Reservations Required?

A. Reservations are strongly recommended as they provide guests the best opportunity to dine at their preferred dining time with their preferred party size. Reservations can be made in My Celebrity Cruise pre-cruise or once onboard, in the Celebrity App.

Q. How do I make day-by-day reservations for Celebrity Select Dining Anytime?

A. Reservations can be booked for all ships and sail dates by visiting Already Booked/Cruise Planner on celebritycruises.com, contacting Cruise Planner 800-722-5941. During the reservations process guests will choose their desired dining time and indicate a sharing preference (dine alone or with others). The reservation time is confirmed at the time of booking; the sharing preference will be accommodated on a space available basis on board. Also, guests can make reservations for Celebrity Select Dining Anytime via the Celebrity App.

Q. How can we ensure a guest's sharing preference is accommodated?

A. Sharing preferences can not be guaranteed. However, the Maitre'D on the ship will make every effort to accommodate the guest's sharing preference on board and will specifically discuss this with the guest at the time of their reservation. If we are not able to accommodate the guest's sharing preference at the time of their reservation, the guest will have the option of choosing an alternate time when the sharing preference will be accommodated. In some instances, this may cause the guest to have to wait for an available table.

Q. Can a guest have the same waiter and assistant waiter every night?

A. Waiters and their assistants will be assigned to specific sections for the duration of the cruise. Every effort will be made to accommodate guest requests to sit in the same section, including with the same group of guests or service team, every night.
