CELEBRITY FLORA® 16-NIGHT GALAPAGOS & MACHU PICCHU SAMPLE PACKAGE

DAY 1 FRIDAY - Quito Arrival - On the first day of their journey, guests will be greeted at the airport by a Celebrity Cruises® representative and transferred to the JW Marriott hotel, or similar. Enjoy free time to relax and settle in.

DAY 2 SATURDAY - Quito - Breakfast is served at the hotel. During their guided tour of the capital of Ecuador, situated at an altitude of 9,350 feet, guests will stand on the equatorial line at the middle of the Intinan Solar Museum, and marvel at the monastery of San Francisco and La Compania Church. Their Tour Director will escort guests throughout their Quito stay, and serve as their personal concierge. Lunch is served with a spectacular view of the city, and enjoy a welcome dinner at a local gourmet restaurant.

DAY 3 SUNDAY AM - Quito/Baltra Island - After breakfast, guests will transfer to the airport for their flight to Baltra, Galapagos. During World War II, Baltra served as a U.S. military base protecting the Panama Canal from enemy attack. Now the cactus-strewn landscapes of Baltra are home to the region's main airport and where guests will meet the ship. From the airport, it is just a short bus and Zodiac ride to the ship for embarkation.

DAY 4 MONDAY AM - Gardner Bay, Espanola Island - A long white sand beach and clear blue waters make this an ideal spot for swimming, snorkeling, or just relaxing on the beach. In the water, sea turtles, rays, colorful tropical fish, and maybe even a white-tip reef shark may be seen. It is also home to a colony of sea lions. Excursion options: beach walking, swimming, or a deep-water snorkel for experienced snorkelers.

DAY 4 MONDAY PM - Suarez Point, Espanola Island - Espanola is the oldest island in the Galapagos and home to an abundance of wildlife. At this site, visitors can expect to see sea lions, Galapagos hawks, marine iguanas, and both blue-footed and Nazca boobies. Between late March and the following January, the waved albatrosses come here to mate and raise their young. Excursion options: a long, rocky walk to look for albatrosses and observe an impressive blowhole that spews water like a towering geyser.

DAY 5 TUESDAY AM - Cormorant Point, Floreana Island - Floreana was the first capital of the Galapagos, and where Charles Darwin met the islands' Governor. Its small brackish lagoon is often home to flamingos, stilts, and white-cheeked pintail ducks, and one of its beaches is a highly used nesting site for sea turtles. Check out the green-hued sand where guests land! Excursion options include a relatively short walk to the lagoon and sea turtle nesting beach, and optional snorkeling and swimming at the landing beach. In addition, nearby Champion Island lies east of Floreana and provides a wonderful opportunity for snorkeling and a Zodiac ride. When snorkeling, tropical fish abound with frequent sightings of sea turtles, rays, sharks, sea stars, and more. If we're lucky, the sea lions will be in a playful mood. During a Zodiac ride along the rocky shoreline keep an eye out for seabirds such as boobies, pelicans, and frigate birds. Red-billed Tropicbirds nest in the crevices below the large prickly pear cacti and guests may spy the very rare Charles Mockingbird.

DAY 5 TUESDAY PM - Post Office Bay, Floreana Island - Rich in history, this site is home to the post office barrel established in about 1793, where pirates, buccaneers, whalers and others could leave their mail to be picked up by outbound ships. The tradition continues today, as visitors leave addressed postcards in the barrel and sort through left mail to deliver at home. Baroness Outlook, Floreana - The Baroness' Viewing Point is the ideal place to take in the unique scenery that defines Floreana, and to learn about the history of the island's early settlers. Once inhabited by an indulgent baroness and her three lovers, the history of this island is intriguing. During the Zodiac ride around "La Loberia," guests can observe several marine species such as golden eagle rays, sea turtles, sea lions, mullets and occasionally Galapagos penguins.

DAY 6 WEDNESDAY AM - Moreno Point, Isabela Island - Along this beautiful rocky shore, a field of hardened black lava flows is pockmarked by shallow pools, which are home to shorebirds and flamingos. The mangrove-lined shore also provides a chance to see marine iguanas, sea turtles, stingrays, sharks, penguins, and the flightless cormorant. Excursion options: a long walk and Zodiac ride, or an extended Zodiac ride.

DAY 6 WEDNESDAY PM - Urvina Bay, Isabela Island - Composed of five coalesced volcanoes, this is the largest island in the Galapagos and the most recently active, the latest eruption having occurred in 2009. Here we will see large land iguanas, finches, and if lucky, a giant tortoise or two. In 1954, the intrusion of magma below one of the island's volcanoes caused part of the bay to be uplifted some 6 meters, and today we can walk through the remains of what was once a thriving underwater reef. Excursion options: a long, faster-paced hike with some rock climbing required, followed by an optional snorkel (if conditions allow), or a short walk and optional snorkel.

DAY 7 THURSDAY AM - Espinoza Point, Fernandina Island - Fernandina is the westernmost island in the Galapagos and, as Darwin wrote, it is "covered with immense deluges of black naked lava." Along with its extraordinary black lava rocks, this point of land hosts the largest colony of marine iguanas in the archipelago, along with sea lions and a nesting site for flightless cormorants. Excursion options: a long walk or short walk, as well as a deep-water snorkel for experienced snorkelers.

DAY 7 THURSDAY PM - Vicente Roca Point, Isabela Island - The half-collapsed remains of an ancient volcano make for a spectacular setting at this site. Awe-inspiring cliffs, blue waters, and wildlife create a Zodiac ride to remember as we search for sea turtles, penguins, fur seals, the flightless cormorant, marine iguanas, marine mammals, and the oddly shaped form of the elusive sunfish.

DAY 8 FRIDAY AM - South Plaza, Santa Cruz Island - One of two islands off Santa Cruz, South Plaza was born of upheaval, uplifted during a geologic event. The rocky island is strewn with prickly pear cactus and home to land iguanas, marine iguanas, and a colony of sea lions. Excursion options: short walk to view wildlife, flora, and geology.

DAY 8 FRIDAY PM - Daphne Island - Daphne is a satellite volcanic cone located north of Santa Cruz Island. The crater floor is an important breeding site for blue-footed boobies. This island is famous for the scientific investigation led by Peter and Rosemary Grant on the finches' population, one of the most important studies on the field that supports Charles Darwin's Theory. The cliff shore of the island is home for sea lions, pelicans, blue-footed boobies, and tropical birds which can be observed during the circumnavigation of the island.

DAY 8 FRIDAY PM - Dragon Hill, Santa Cruz Island - Dragon Hill, or "Cerro Dragon," is named after its population of land iguanas. The site offers a beautiful view of the landscape and two small brackish lagoons where flamingos and other shore birds occasionally feed. Along the trail, we'll cross a beautiful "white forest" of Palo Santo (incense) trees and Galapagos cotton plants. Excursion options: Walk.

DAY 9 SATURDAY AM/PM - Puerto Ayora, Santa Cruz Island - This is the main population center of the islands, and home to the National Park Service tortoise-breeding center and the Charles Darwin Research Station. Guests will be able to visit the tortoise-breeding center and walk through the Charles Darwin Research Station. Guests will also have the opportunity to take a bus ride to the highlands to observe giant tortoises in the wild and walk through a lava tunnel. AS CLOSE AS IT GETS

We're giving you the keys to the cities, the local flavors, the breathtaking views, and the stories that stay with you long after you leave. We show you Europe in ways guidebooks can't, through our new Discovery Collection℠ that brings you closer to the culture and the people who shape each destination. Every detail is designed to keep you connected to Europe at every moment and transform our ships into your happy place on the river. And you can explore even more with Before and After Stays in Europe's most iconic cities like Budapest and Prague. This is the new standard on the river.

DESTINATIONS

A TALE OF MANY CITIES

Here's where your journey truly comes to life. Sail the Danube and cruise the Rhine—the ancient artery connecting Europe's north and south, visiting world-class destinations along the way. Experience striking iconic cities like Vienna, wander the medieval streets of Nuremberg, and discover small towns and quaint villages that might not make the guidebooks, but stay with you forever.

Every stop delivers nothing short of unforgettable. Soak in Budapest lit by night, taste your way through Prague's beer-infused artisanal shops, or celebrate the New Year under Würzburg's fireworks. Immerse yourself in stories the locals live by while writing a few of your own.

SHORE EXCURSIONS

DISCOVER EUROPE— AS CLOSE AS IT GETS

Explore the cities that define Europe's most iconic rivers—from Prague and Budapest to the medieval charm of Strasbourg and Würzburg. Each is chosen for its culture, its history, and the way it stays with you long after you leave.

Designed exclusively for our guests, our Discovery Collection℠ brings each destination to life through four immersive series—taking you deeper into the stories, people, and moments that make Europe unforgettable.

The Storyteller Series℠ see a place through the eyes of someone who calls it home. Real locals lead you beyond the landmarks to reveal the memories, rituals, and routines that shape everyday life.
The Keys to the City Series℠ lets you explore independently but never without insight, putting hidden history, insider knowledge, and the small shops that give a city its character right at your fingertips.
The Skillmaster Series℠ takes you further still, where you'll cook, craft, and dance your way into the pulse of it all, guided by experts who've spent a lifetime mastering their art.
The Celebrity Takeover Series℠, expect one-of-a-kind exclusive events, historic settings, and moments so elevated you won't believe they're happening.

Four ways to journey through one unforgettable vacation.
