CELEBRITY'S XBOX EXPERIENCE

Celebrity offers one of the largest Xbox game experiences at sea. Our Fun Factory and X Club facilities exclusively feature Xbox consoles and games. We also offer Xbox-themed programming and competitions for kids, teens and adults, featuring dance, sports and racing games.

Free play with Xbox One and Xbox 360 consoles is available during specified hours in the Fun Factory and X Club for registered children and teens. Visit these venues for specific free play hours.

For adults, we offer mobile Xbox gaming units which can be used in different lounges throughout our ships for free play.
