You'll scan your ID during app check-in, but you'll ALSO need the physical document.

- **PASSPORTS ARE BEST**—Make sure yours doesn't expire for at least 6 months after your cruise ends.
- **OTHER ID**—U.S. Citizens can cruise with a U.S. birth certificate on most sailings from the U.S. On select U.S. sailings that don't cross international borders, guests can cruise with a valid Driver's License.
- **NAMES MUST MATCH**—If you've had a name change and the name used across your documents does not match your reservation, you will need to update your online account.
- **KIDS**—When a minor (17 and under) travels without their legal guardian, an accompanying adult must present a notarized form signed by the child's guardian.

WHEN WILL MY ROOM BE READY?

Enjoy access to your room the minute you step aboard—your stateroom number is on your boarding pass.
