HEALTHY AT SEA™

A MESSAGE FROM YOUR TRAVEL ADVISOR

WHERE HEALTH AND SAFETY IS OUR TOP PRIORITY, SO ENJOYING YOUR VACATION CAN BE YOURS

Dear Guest,

At Celebrity, we believe traveling is one action that can truly bring the world closer together. That's why we're so excited that we'll be returning to sailing with you as our guest. We're more than prepared to rejoin the world in travel and welcome you onboard for the vacation of a lifetime.

Our Healthy at Sea program has elevated our already high standards of health and safety on board. We took extraordinary measures to establish an even safer environment on our ships by adopting new technologies, implementing rigorous training, developing comprehensive screen protocols, and putting preventative measures in place. To do all this, we worked closely with our expert advisory board of doctors, scientists, and biologists with one goal in mind - the health and safety of you and our crew.

Additionally, to provide you more peace of mind in planning a vacation, our Cruise with Confidence program allows you to take advantage of our best promotional offer with the flexibility to change or cancel your sailing up to 48 hours before your trip.

Thank you for choosing to contact your trusted Travel Advisor and rejoin Celebrity Cruises as we Sail Beyond™ yet again.

HEALTHY AT SEA PROTOCOLS

ISN'T IT TIME?

TO CONNECT WITH THE WORLD AND EACH OTHER ON ONE OF THE SAFEST VACATIONS.

From bow to stern, we're taking extraordinary measures to keep you Healthy at Sea. We're sailing at reduced capacity to provide more space for more luxury. We're with you all the way, including safe passage home by private air transfer, if needed*

It's a new world, but providing the same world-class service we're known for is our top priority, so enjoying vacation can be yours.

Journey Safe. Journey Wonder**FULL**SM

YOU SHOULD KNOW.

All crew and guests who are eligible to be vaccinated must be vaccinated in order to sail with us.

All guests 2 and over must present a negative Covid-19 test prior to sailing.

HEALTHY AT SEA

Where local government regulations differ, we will comply with local requirements. We will continually evaluate and update these requirements and protocols as new information becomes available. Booked guests will be advised of the latest requirements leading up to departure.

Please be aware of both homeport country travel requirements and Celebrity Cruises requirements as they may differ. We are continually updating this information. Guests will also be notified of the latest requirements leading up to departure via email. Please be sure to register for a guest account so we have your contact information.

For an overview of protocols by homeport country, click [here](#)

Testing & Screening

All vaccinated guests 12 years and older must present a negative Covid-19 test result taken as either as an Antigen or PCR test conducted within two days of embarkation and complete a health questionnaire prior to sailing. All unvaccinated children between the ages of two and eleven years old, will be required to bring a negative Antigen or PCR test result conducted within three days of embarkation. Additional test will be administered onboard, free of charge if required for homeport, or home country re-entry. For the latest on Testing and Travel Requirements by homeport Country, please visit [Country Travel Requirements](#).

Vaccines

All crew and guests who are eligible to be vaccinated must be fully vaccinated with all doses administered at least 14 days prior to sailing. [View Vaccine FAQ's](#).

NOTICE: Proof of vaccination will be recorded and may be reviewed for signs of fraud. Unauthorized use of an official government agency seal such as the Centers for Disease Control and Prevention seal is a federal crime, and will be reported to the relevant government authorities.

100% Fresh, Filtered Air

HVAC system continuously supplies and filters 100% fresh, filtered air to all spaces. You can breathe easy knowing the robust system's layers of protection make the transmission of aerosol particles between spaces extremely low to virtually impossible.

While On Board

We're sailing with fewer guests for more space—and more luxury. Our enhanced cleaning and sanitization protocols and enhanced medical center set a new industry standard.

While Ashore

On-Your-Own tours are available unless locally restricted. While in port, guests must comply with local guidelines. Excursions provided by Celebrity Cruises extend the same health and safety standards we're following on board. Most experiences are outdoors, and guests will be encouraged to stay with their group. Buses will be at reduced capacity and will be sanitized frequently. Small Group Discoveries will be available, and for guests that prefer to tour with their family or group, Private Journeys will be available. We're working closely with local government to comply with their requirements.

24/7 Medical Care

We've made our high-quality onboard medical care stronger than ever, with more doctors and nurses on each ship and state-of-the-art equipment enhancements. And in the event of a suspected case of COVID-19, we're fully prepared with medical evaluations, rapid testing, more critical care on each ship and a safe and prompt return home.

Safe Passage Home

We're with you every step of the way no matter where in the world you travel with us. If you test positive for COVID-19 onboard during your cruise, Celebrity Cruises will cover the cost of your onboard COVID-19 medical treatment, land-based isolation, and private air transfer home for you and your traveling party, if required*.

SAFETY BRIEFING

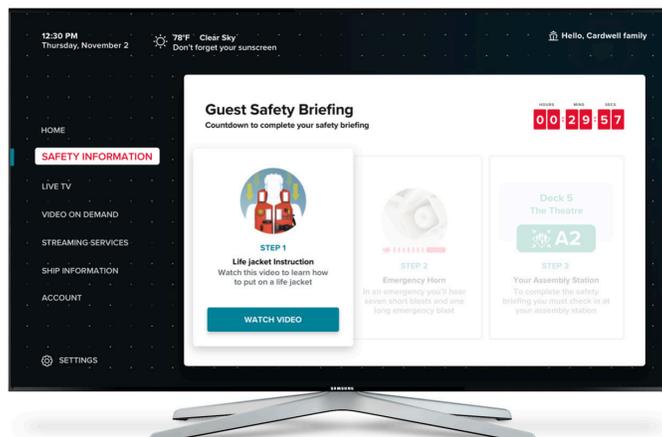

We're offering a brand-new approach to delivering safety information to guests. Our first-of-its-kind, app-based muster program reimagines the traditional safety drill, a process originally designed for large groups of people, into a faster, more personal approach that encourages higher levels of safety and enables social distancing.

Guests should start their Safety Briefing by viewing the safety information in the Celebrity Cruises app or viewing the video on the interactive stateroom TVs. Guests are required to complete the Safety Briefing by checking in at their assigned assembly station.
