

Think the Caribbean can't get any better?  
Think again.

Visit Perfect Day at CocoCay,  
the islands' most exclusive escape.

## **New ships. New islands. New experiences.**

For the first time ever, we're taking you to one of the Caribbean's most exclusive destinations, Perfect Day at CocoCay, Royal Caribbean's award-winning private island destination. You'll step ashore and experience the best of beachside bliss and sun-soaked excitement. From taking on the tallest waterslide in North America to unwinding in your own Overwater Cabana, whatever your speed, Perfect Day at CocoCay has so many ways for you to escape the everyday. Starting next summer, two of our ships, Celebrity Beyond<sup>SM</sup> and Celebrity Reflection® will call the tropics home and give you even more options to visit this incredible new destination.

## CHILL ISLAND®

With crystal-clear water, soft sand, and soothing island vibes, this is the beach day you deserve. Reconnect with each other while you disconnect from the world in your own private cabana. Savor delicious BBQ just steps from the water's edge at Chill Grill. And discover the best way to see the island on a guided Wave Jet tour.

## SOUTH BEACH

Swim, play, relax, repeat. That's the only kind of to-do list you need at South Beach. Challenge family and friends to a game of beach volleyball. Shoot a few hoops where courtside meets seaside. Or if you'd rather hone your lounging skills, settle into the shade of your private cabana and chill the day away.

## OASIS LAGOON®

There's plenty of room to recharge at the largest freshwater pool in the Bahamas. Explore its many different coves and find the one that perfectly matches your mood. Make a splash with your family at the kid-friendly sloping entry. Raise a tropical toast at the swim-up bar. Or take your pool day to the next level in your own private cabana.

## COCO BEACH CLUB®

This exclusive hideaway has perfected the art of relaxation. Swim right up to the horizon in an infinity pool overlooking the ocean. Let a dedicated poolside attendant bring you your favorite tropical cocktail. Savor upscale dining from the clubhouse. And elevate your experience South Pacific-style by treating yourself to your own Overwater Cabana.

## THRILL WATERPARK

Ready for a rush? This is where you'll find it. Whether it's avigating the obstacles in Adventure Pool, riding the tide in the Caribbean's biggest wave pool, or going down the tallest waterslide in North America, Thrill Waterpark® offers unforgettable experiences for everyone in the family.

## UP, UP, AND AWAY

See Perfect Day at CocoCay from a whole new point of view. Step aboard a helium balloon and soar up to 450 feet above the island. Try not to make your friends back home too jealous with all the pics you post from the highest vantage point in the Bahamas.
