

CLIMATE & WATER TEMPERATURE

Based on the geographic location of the Galapagos Island the temperature remains mild year around making it an excellent destination to visit at any time of the year. On board Celebrity Cruises Galapagos vessels we offer complimentary snorkeling gear and wetsuits (for all sizes).

CLIMATE

December to June – Hot rainy season with occasional showers. Temperatures range from 77°F to 90°F

July to November – Dry season with stronger winds. Temperatures range from 68°F to 80°F

WATER TEMPERATURE

December to June – Warm waters from the Panama Basin flow through the Galapagos, producing a sea temperature of 68F to 80F

July to November – Cooler waters from the Humboldt Current are driven to the islands, causing the water temperature to drop to 65°F to 75°F
