**Please note:** Certificates have no expiration date. Certificates redeemed more than two years after the issue date will provide the holder of the certificate with a dollar credit amount against the cost of their cruise. The dollar credit amount will be based on the value for that type of certificate as shown in the Royal Caribbean price table in effect at the time the certificate was purchased.

\*The commissionable portion of the certificate can be calculated by deducting the amount in the "Non-Commissionable Fee" column above from the total price of the certificate.
