CRUISING **POWER**™

FlexPay: Group Bookings

FlexPay – Our new Scheduled Payment program lets you and your clients customize how and when they pay their reservation balance.

- **Schedule Payments** - With FlexPay, clients can pay their balance due with up to 10 payments. They can also fully customize the payment dates and amounts.
- **No Fees. Ever.** - FlexPay is free. It's simply a more convenient way for you and your clients to manage how and when they pay.
- **Cancel Anytime** - Plans and preferences change. If your client wants to modify or cancel their FlexPay payment schedule, all it takes is a few clicks.
- Your clients are eligible for FlexPay if they've paid the minimum deposit and their booking is outside final payment.
- For bookings in a group, FlexPay will also assist you in allocating each payment to the guests in the booking

***We created FlexPay to help you help your clients take the cruise of their dreams.
Start using it today!***

Setting up FlexPay

Once the minimum deposit is paid on the reservation and as long as the booking is outside of final payment, you can set up a FlexPay schedule from inside the booking in Espresso.

Begin by accessing the reservation in Espresso and reviewing the Reservation Summary section to ensure the minimum deposit for the booking is satisfied.

FlexPay will automatically set up a schedule with 3 payments. By default:

- The first payment will be the day after you are setting up the schedule and the last payment will be on the final payment date of the booking. The second payment will be halfway between the first and last payment.
- The Total Balance Due will be evenly divided among the payments.

Note: FlexPay can accommodate from 1 to 10 payments.

Allocate Payments

Funds Remaining to Allocate:	1,000.00	Allocation Total:	0.00
------------------------------	----------	-------------------	------

Using the check boxes below, you may distribute the total payment amount across multiple guests in the reservation. To begin, select the guests you would like to allocate amounts for, and then enter the specific amount of allocation for each. If you would like to automatically allocate the payment amount evenly across all selected guests, click the Distribute Evenly button.

Select	Guest Name	Vacation Total	Current Balance	Allocate to Cruise

<input type="checkbox"/>	JANE SMITH	2,065.94	1,815.94	<input type="text" value="0.00"/>

To allocate funds, you can manually select the appropriate guest and manually enter the amount to allocate to the cruise. If this payment should be split evenly between the guests, click Distribute Evenly.

As we allocate funds to each guest, the Funds Remaining to Allocate and the Allocation Total update. Once we have allocated all the funds for this transaction, these fields will show in green with a checkmark confirming that you have allocated the full amount of this transaction.

To continue, click Save Allocation. You will need to allocate each scheduled payment to submit the schedule.
