BEVERAGE POLICY

Consuming alcohol to excess impairs one's judgment and reduces one's ability to recognize and avoid potentially dangerous situations. Guests who choose to consume alcohol must do so responsibly. The ship's staff may refuse to serve alcoholic beverages in their sole discretion to any guest who does not consume alcohol responsibly. Ship's personnel may request verification of a guest's age to verify they are of age to consume alcohol pursuant to this Policy. Adult guests are prohibited from providing alcohol to minors or young adults. All drinking games are strictly prohibited.

The minimum age for a guest to drink or possess alcoholic beverages on ships sailing from North America, the United Arab Emirates, or at any of our private destinations, is 21. The minimum age for a guest to drink or possess alcoholic beverages on ships sailing from South America, Europe, Asia, Australia and New Zealand is 18. In all other cases, the drinking age of the home port shall control our determination of a legal drinking age. 10 In certain circumstances where local laws permit or require it, Royal Caribbean Group may modify this policy which may also require a parent or guardian's request or authorization. Guests may contact Guest Services or refer to the cruise information in their stateroom for minimum drinking age information specific to their cruise vacation. For purposes of complying with the minimum age to drink or possess alcoholic beverages, a guest's age is established at the beginning of the cruise vacation. If a guest celebrates his or her birthday during the cruise vacation, and thereby becomes of age to consume alcohol, the guest may thereafter ask the Guest Services Manager to modify the ship's records to permit their consumption of alcohol during the remainder of the vacation. The guest will be required to appear at Guest Services to present a valid government-issued form of identification to permit verification of their age.

Unless otherwise permitted by our security personnel or crew, guests are prohibited from bringing alcoholic beverages onboard; with the exception of embarkation day when each guest who is of drinking age will be permitted to bring onboard with them one (1) sealed 750 ml bottle of wine or champagne. Boxed wine and other containers are prohibited. Security personnel may inspect containers (including water bottles, soda bottles, mouthwash, canteens, etc.) at any time and will dispose of alcohol concealed in such containers. Alcoholic beverages that are purchased from onboard shops or in ports of call must be presented to security upon re-boarding and will be secured by ship's personnel. Alcohol secured by ship's personnel will be returned to guests just prior to the conclusion of their cruise vacation. Guests who are under the permitted drinking age will not have alcohol returned to them.

Any guest who goes ashore and consumes alcohol (whether under the supervision of a parent/guardian or not) is responsible for ensuring they consume responsibly and retain the ability to recognize and avoid potentially dangerous situations when they return to the ship. Parents/guardians are reminded they are responsible for the actions of their minor and young adult children at all times while on a Royal Caribbean Group cruise vacation.
