

GUIDELINES AT A GLANCE

Rules of the Name: Royal Caribbean®

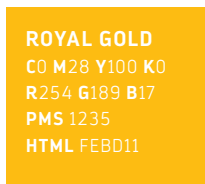

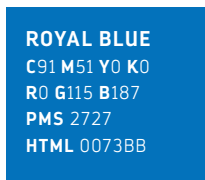

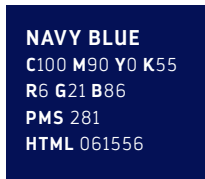

- Never abbreviate or use initials
- Both words should appear on the same line
- Never use the brand name in a possessive form
- Include registration mark at either first mention or most prominent

Brand Logo

- The logo must appear prominently on all communications
- Include the logo on back covers of printed materials
- When other logos are present, ours should be equal in size
- Place the logo on the bottom right of a piece whenever possible

MINIMUM SIZE
Height of logo = 3/8" (27px)

Crown and Anchor Logo

- The Crown and Anchor is always used alongside the brand logo
- Exceptions include merchandise and onboard materials
- Never stack the Crown & Anchor with the brand logo

WITHOUT THE BOX
Typically reserved for apparel/merchandise

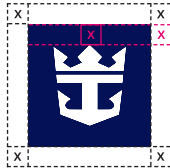

MINIMUM CLEARANCE
x = height of top half of crown

MINIMUM SIZE
Height of logo = 0.275" (20px)

IN THE BOX
Typically used for onboard collateral

MINIMUM CLEARANCE
x = space between Crown & Anchor and box boundary

MINIMUM SIZE
Height of logo = 0.417" (30px)

Respect our Logos

As champions of our brand, we look to you to uphold the integrity of all our logo marks.

NEVER add a stroke or outline to the logo

NEVER use logo colors as background

NEVER rotate or tilt the logo

NEVER change the colors

NEVER remove, rearrange or alter parts of the logo

NEVER obscure, cover or hide the logo

NEVER use the logo where it might be walked on or driven over

NEVER borrow parts of the logo or add elements to the logo

NEVER place the Compass or Crown and Anchor and brand logo side by side in layout.

Compass Logo

The compass combines with the iconic Crown & Anchor and represents our identity as a travel company.

- The compass should never replace our brand logo
- Don't use compass without the brand logo, except on merchandise & apparel
- Never place the compass and brand logo side by side in layout

HOW TO USE THE COMPASS

CREATE HIERARCHY
in content-heavy, mid to lower funnel work

BRANDING ELEMENT
in upper funnel creative, merchandise and apparel

CONTENT DIVIDER
when framed with horizontal dotted lines

MINIMUM CLEARANCE
x = height of crown

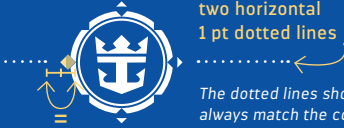

MINIMUM SIZE
Height of logo = 3/8" (27px)

COMPASS COLORS

The primary version of the compass is **WHITE**. On white backgrounds, **GRAY** or **NAVY BLUE** can be used

In select applications, foil finishes may be used
The compass should NEVER be used in black

two horizontal 1 pt dotted lines

The dotted lines should always match the color of the compass

Accolades

Accolades set us apart from the competition by graphically showcasing the recognition we've earned.

- Can be used in white, gray or navy
- A stacked version of each lockup exists, to be used as needed
- Ensure you are using the most up-to-date lockup
