

Pack your appetite — all your favorite flavors of Thanksgiving are onboard. We're hosting a traditional Thanksgiving Dinner in the Main Dining Room where you can savor mouthwatering seasonal staples. Dig in to oven-roasted turkey, honey baked ham and all the fixings. And the meal wouldn't be complete without decadent desserts like old-fashioned pecan pie and more. And when dinner is done, there's an island hopping world of fun ahead that'll have your family grateful for memories of an epic adventure.
