

EASY 2 STEP PROCESS: HOW TO LOCATE YOUR NEXTCRUISE BOOKINGS

STEP 1

Login to CruisingPower and click on the Insight link*, under the Booking Tools section. On the Insight landing page, under the Onboard Sales section, choose the Open Bookings link to see your new NextCruise bookings, along with the expiration date for each. If you're not already receiving Insight notifications for your bookings, you may also click on the Setup Automated Email link to register for daily or weekly e-mails that will identify the number of new reservations your agency has, along with the number of those that will soon expire and should be prioritized.
