ALASKA COMES FIRST ON THE LAST FRONTIER

No vacation in the world delivers once-in-a-lifetime adventure seven days a week like sailing Alaska with Royal Caribbean®. And summer 2024 marks your year to cross this bucket-busting destination off your list once and for all. Take off by dogsled across thousand-year-old ice as you soak in otherworldly sights. Trek across the majestic Mendenhall Glacier for breathtaking views of the wildest country. Get to know wildlife, big and small, that call this wilderness home, like otters, eagles, bears, and whales.

And do it all from onboard one of four thrill-filled ships — including *Ovation*® and *Quantum of the Seas*®, the most adventure-packed in the region. This is Last Frontier pioneering with the cruise line voted Best Overall by *Travel Weekly* readers for 20 years running.
