

WISHES AT SEA

MAKING A WISH AND A DIFFERENCE

*When a wish comes true,
so much more can happen, too.
A heart can open. A spirit can heal.
And a child in need of strength can find the will.*

Royal Caribbean® has proudly partnered with Make-A-Wish® — an incredible organization granting the wishes of children with critical illnesses. And as a Royal Caribbean partner ourselves, this is a cause we believe in, too. Every penny they collect goes directly to Make-A-Wish. No donation is too small. And when it comes to these deserving children and their families, together, we can turn wishful thinking into steadfast believing.
