## BIGGER. BOLDER. BAJA BOUND.

The biggest, boldest Baja getaway begins June 2025, when *Ovation of the Seas*® joins *Navigator of the Seas*® as the region’s newest star. This Quantum Class headliner is the first of its kind to sail from Los Angeles — with record-breaking memory-making and revolutionary thrills. Scope the scenery from Catalina to Ensenada on the tallest viewing deck on a cruise ship, North Star®. Bounce bumper cars with your adventure crew at the SeaPlex® and hang ten high above the Pacific on the FlowRider® surf simulator before an unforgettable overnight in Cabo. You’ve never done Mexico like this before.
